To TP Rpt from CCB - 1400

The patrol Rpt contains the routine stuff which is made up with overlay attached for your Info. Will send it to you by In O. No prisoners yet. Had preparation fire before the patrols went out. Inf tried to rush things and plans were not too complete. But location of patrols was coordinated with Arty. We are not getting much Arty in our sector. We are pushing our patrols S and SE. Still in contact with the 11 AD on our N. Will give Hayes the proposed plan to give you.
