MAIL

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with com-rades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of head-stone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN Major General The Quartermaster General

Mr. William A. Barnes

Hayesville, North Carolina

#### Dear Mr. Barnes:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN Major General The Quartermaster General

5 December 1947

Mrs. Betty R. Barnes General Delivery Blairsville, Georgia

Dear Mrs. Barnes:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Comsteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN Major General The Quarternaster General

The War Department is most desirous that you be furnished information regarding the burial location of your husband, the late Private First Class Clyde W. Barnes, A.S.N. 34 680 434.

The records of this office disclose that his remains are interred in the U.S. Military Cemetery Margraten, Holland, plot UU, rol 9, grave 175. You may be assured that the identification and intervent have been accomplished with fitting dignity and solemnity.

This cemetery is located ten miles west of Aachen, Germany, and is under the constant care and supervision of United States military personnel.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide the next of kin with full information and solicit his detailed desires.

Please accept my sincere sympathy in your great loss.

Sincerely yours,

T. B. LARKIN Major General The Quartermaster General

Mrs. Betty Rogers Barnes General Delivery Blairsville, Georgia

Dear Mrs. Barnes:

The Army Effects Bureau has received from overseas some personal property of your husband, Private First Class Clyde W. Barnes.

I know you want to receive this property quickly, and in making application it is necessary only that you confirm your address, stating that you are the legal widow of Private First Class Clyde W. Barnes.

I regret to advise that included among your husband's effects is a leather folder which is damaged by shrapnel and two watches and glasses which are damaged. Please say whether you want these items sent with the remainder of the property. It is our desire to refrain from sending any articles which would be distressing; at the same time, we do not feel justified in removing the items without your consent.

Your reply may be made at the foot of this letter, if desired, and mailed in the inclosed self-addressed envelope which needs no postage.

Sincerely yours,

R.T. Brown R. T. BROWN 1st Lt. QMC Asst. to Chief, Adm. Division
