Dear Mrs. Horwath:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mrs. Horwath:

We have received the "Request for Disposition of Remains Form" in regard to the final interment of the remains of your son, the late Staff Sergeant Thomas Horwath.

However, if the father is deceased, it is requested that you complete and sign the lower half of page 2 of the form and state in the "Remarks" column, the date and place of his death.

Your prompt cooperation in completing and returning the Disposition Form to us will avoid unnecessary delay and will be greatly appreciated.

Attention: QMGMR 293

Dear Sir:

After we received your request for service dated July 7, 1948 we contacted our Hazleton, Pennsylvania Chapter and are writing to share with you the report received this date.

The worker from the chapter talked with the mother of the serviceman who stated that the father has been dead since 1946. She claims that she has completed three Form 345s and sent them to your office and has also written a letter explaining that the father of the serviceman is now deceased. She also stated that she had a local notary public write a letter confirming her statement. She claims to have submitted three certified copies of death certificates and she refuses to sign any further forms. She indicated that her desire was that the body should remain buried in a permanent military cemetery overseas.

Our chapter regrets that, under the circumstances, they were unable to convince the mother that it would be well for her to submit another Form 345 but we felt that this information might be helpful to you in planning your further contact in this case.

Sincerely yours,

Pauline A. Rogers

Dear Mr. Horvath:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

Dear Mrs. Horwath:

I wish to refer to a Bureau check in the amount of \$0.04, previously sent you as the cash effects of your son, Staff Sergeant Thomas Horwath.

The records show that this check has not as yet cleared the local bank on which drawn, and by reason of the date of issue, is considered by the bank to be staledated and consequently not now negotiable.

A stop-payment order has accordingly been placed against the original check, and the funds will be transferred in the near future, due to the deactivation of this Bureau and the closing of the bank account on which the check is drawn.

Should this check be cashed, and by reason of return of the check against which stop-payment has been entered other items are returned to you insufficient, this Bureau can in no way be held liable, inasmuch as the period for encashment has since elapsed.

Sincerely yours,

STANLEY ZABLOCKI

Dear Mrs. Horwath:

Thank you for your confirmation of address in connection with the disposal of funds received for your son, Staff Sergeant Thomas Horwath, which were recovered by an overseas Graves Registration officer.

I am inclosing a Bureau check in the amount of four cents (\$0.04) representing the funds received for your son from this source and converted to dollar credits due to the damaged condition in which they were found when recovered.

The inclosed check should be cashed at your earliest convenience and in any event prior to the expiration of sixty days from date, at which time payment will be stopped and the funds transferred to the Treasury of the United States due to the impending inactivation of this Bureau. Your cooperation in this matter will be highly appreciated.

I am glad to have been of service to you in this matter and wish to express my sincere regret of the circumstances prompting this correspondence.

Dear Mrs. Horwath:

The Army Effects Bureau recently received for disposal a group of funds which had been recovered by the American Graves Registration Service in its disinterment operations under the repatriation program for deceased military personnel.

These funds, consisting of United States or foreign currencies, were carried by the soldier at the time of casualty and in many instances were recovered in a mutilated or unsightly condition.

Consolidation at the overseas headquarters was then made of all such currencies and it was then returned to the country of origin for exchange to dollar credits to enable issuance of a check replacing the mutilated currency.

Such was the case with some funds received for your son, Staff Sergeant Thomas Horwath.

I know that you want to receive these funds as soon as possible, but due to the time elapsed since the occurrence of the casualty, it is believed that some explanation should be offered as to the source of the funds and the delay in their transmittal.

It would be appreciated if you would confirm the accuracy of your address in order that the check may be delivered properly. A notation placed at the bottom of this letter will be sufficient and may be returned in the inclosed addressed envelope requiring no postage.

Upon receipt of your reply, a Bureau check for the funds recovered from the above source will then be sent you promptly.

Sincerely yours,
