Margraten (Holland) U. S. Military Cemetery

Mrs. Irene F. Mullimex
2 Thompson Avenue
Binghamton, New York

Dear Mrs. Mullimex:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

W. E. MIDDLESWART

Dear Mrs. Mullinnex:

The Army Effects Bureau has received from overseas some personal property of your husband, Private Harold H. Mullinnex.

I know you want to receive this property quickly, and in making application it is necessary only that you confirm your address, stating that you are the legal widow of Private Mullinnex.

I regret to advise that included among your husband's effects are a knife which is broken, and a compass, which is damaged, apparently by bloodstain. Please say whether you want these items sent with the remainder of the property. It is our desire to refrain from sending any article which would be distressing; at the same time, we do not feel justified in removing the items without your consent.

Your reply may be made at the foot of this letter, if desired, and mailed in the inclosed self-addressed envelope which needs no postage.

We regret to advise you that we have been unable to locate the widow of the deceased serviceman.

From the chapter giving service to Windsor, New York, it was learned that Mrs. Mullinex had left that community. She was receiving mail at Hanks Restaurant, Deposit, New York.

The Deposit Chapter attempted to get in touch with Mrs. Mullinex, but was not successful. A contact was made with a sister of Mrs. Mullinex who stated that the widow had not remarried and that she wished to have the remains of the deceased serviceman rest where they are. The sister stated that Mrs. Mullinex had left Deposit and that her present whereabouts were unknown. The Form 345 was left with the sister who stated that she would have Mrs. Mullinex fill out the form and send it to your headquarters.

In the most recent contact with Mrs. Mullinex' sister, she stated she had no information for the chapter. According to the chapter, the sister is either unwilling to advise of the widow's whereabouts, or does not know them.

Dear Mrs. Mullinax:

The War Department is most desirous that you be furnished information regarding the burial location of your husband, the late Private Harold H. Mullinax, A.S.N. 12 056 223.

The records of this office disclose that his remains are interred in the U. S. Military Cemetery Margraten, Holland, plot H, row 6, grave 138. You may be assured that the identification and interment have been accomplished with fitting dignity and solemnity.

This cemetery is located ten miles west of Aachen, Germany, and is under the constant care and supervision of United States military personnel.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide the next of kin with full information and solicit his detailed desires.

Please accept my sincere sympathy in your great loss.

Dear Miss Mullinnex:

Your letter concerning your nephew, the late Private Harold H. Mullinnex, has been received in this office.

The official Report of Burial discloses that the remains of your nephew were interred in Plot H, Row 6, Grave 138, in the United States Military Cemetery Margraten, Holland, located ten miles west of Aachen, Germany.

The War Department has now been authorized to remove, at Government expense, to the final resting place designated by the next of kin, the remains of those American citizens who died while serving overseas with our armed forces during this war.

When the necessary preliminaries have been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be sent to the next of kin of those American dead. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of the next of kin's detailed desires. Since letters to next of kin will be dispatched automatically and according to the records here, communications with this office regarding this subject will not be necessary.

As you probably know, the supply of steel for the manufacture of caskets, is at present uncertain. Without this essential item, the movement of remains cannot properly be initiated. This fact and the necessity for complete coordination of movement in many parts of the world make it impossible, at this time, to estimate when these forms will be mailed. Responses to them will be acted upon with a minimum of delay.
