Major James L. Prens,

Thank you sir, for your communication of the 14th of Aug. and I trust that it will not be much longer before the remains of our beloved son Teddy is returned to it's final resting place, here in the United States.

In your reply I note that I, his father is the recognized legal next of kin, and as such the right to determination of the final resting place is left with me. For the record may I make it clearly understood that it is my wish as well as his mother's that his remains be brought over here... and that all further communications and documents be directed to our address.....

Respectfully,

Simon Daniels

THE QUARTERMASTER GENERAL
Attention: Memorial Division

Mrs. Mary Daniels
1702 Clay Avenue
Bronx 27, New York

Dear Mrs. Daniels:

Your letter concerning your son, the late American Fifth Grade Theodore Daniels, has been received in this office.

The War Department has not been authorized to remove, at Government expense, to the final resting place designated by the next of kin, the remains of those American soldiers who died while serving overseas with our armed forces during this war.

When the necessary preliminaries have been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be sent to the next of kin of those American dead. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of the next of kin's detailed desires. Since letters to next of kin will be dispatched automatically and according to the regular Army communications with this office regarding this subject will not be necessary.

As you probably know, the supply of steel for the manufacture of caskets, is at present uncertain. Without this essential item, the movement of remains cannot properly be initiated. This fact and the necessity for complete coordination of government in every part of the world make it impossible at this time, to estimate when these forms will be mailed. Responses to them will be acted upon with a minimum of delay.

This office appreciates your desire to determine the final resting place of your son. However, inasmuch as the records of this office indicate that the legal next of kin of the late American Fifth Grade Daniels is his father, this office must recognize his right to determine the final resting place of the remains of your son.

Colonel Arthur S. Warren,

Dear Sir:

Time weighs heavily on me, & in view of the personal state of health, I'm literally forced to send this letter to you. Once again I'm requesting information with regards to the probable return date of the remains of my son Ted.

His present interment location is U.S. Military Cemetery #1 - Champegniel, France. Plot A - Row 3 - Grave 65. I'm fully aware of necessary legal paper work and etc. but come this Sept - and ^{two} years will have passed. Were I in good health I'd not be needlessly worried about the elapsing time, but as things stand - I'm fearful of what may occur to me - & if in the delay, I will fail to see the wishes of my son carried out.

293
Daniels
Ted

May I again appeal to you, and through you - that this matter be given consideration. Please give an arduous mother who was left all alone in this world by the loss of her only boy - an even break...

Sincerely,
Mrs. Mary Daniels

Dear Mrs. Daniels:

Receipt is acknowledged of your letter requesting information concerning your son, the late Technician Fifth Grade Theodore Daniels.

At the outbreak of the war, it became necessary to adopt the policy that all remains of our military personnel who die at stations outside the United States, shall be interred locally until after the cessation of hostilities, and remain buried there until such time as appropriate means become available for their return. A notation has been made on the official records that it is your desire to have the remains of your son returned to the United States, if possible, for final interment. At the proper time, the legal next of kin will be contacted by this office in order to obtain their wishes regarding the final disposition of the remains.

This office regrets, sincerely, the delay in answering your letter.

Sincerely yours,
