293 GRSC 2nd Ind. HH:RGA:rcj HQ, GRAVES REGISTRATION SERVICE, 551ST COMPOSITE SERVICE GROUP, EASTERN ZONE, APO 513, US ARMY. 1 October 1945.

TO: Director General, US Theater Graves Registration Service, Theater Service Forces, European Theater, (Rear) APO 887, US Army.

- 1. In compliance with paragraph 5 and 6 of basic communication, body of LESTER L. MUSE, S/Sgt, 34814280, buried in Plot N, Row 18, Grave 1934, at EPINAL CEMETERY was didinterred. Body had both legs attached, and had identification tag on chain around neck. No laundry marks or other identifying marks could be found.
- 2. Investigation surrounding the facts of the burial at LIMEY CEMETERY revealed the following:
- a. Mr EMIL MOUJEN of Migneville, France found the one leg, two identification tags (inclosed) and personal effects belonging to LESTER L. MUSE. Mr. EMIL MOUJEN buried the remains on 10 March 1945, in the Commune Cemetery of Migneville, France.
- b. The personal effects were turned over to Mr. George Zalesky, Secretary to the Mayor of Migneville, who turned them over to GRS personnel at the time of disinterment from Migneville Cemetery.
- c. Effects which were turned over to Personal Effects and Baggage 2 Depot Q-290 on 1 September 1945, consisted of Enlisted Man's identification card, 2 receipts and 7 American dollars.
- 3. Since the body interred at Epinal Cemetery as LESTER L. MUSE included both legs it is not considered that the remains buried in Limey Cemetery, i.e., right foot and leg, belonged to the same deceased.
- 4. Inclosed Report of Burial for Unknown X-83 is in substitution for Form 1 formerly submitted for MUSE, LESTER L., rank unknown, ASN 34814280. This correspondence is assigned Letter of Transmittal # 322.
