(Location)

The remains of Unknown L-1051 (USMC Saint Avold) was recovered from the vicinity of Matton, France. As the physical characteristics of this Unknown are limited and there is no dental info, possibility of identifying this remains is very limited. Several attempts have been made to identify this Unknown through the use of fingerprints without results. Laundry markings "W-7207" found on clothing of this deceased is in agreement with initial and last four digits of ASN for S/Sgt Graydon E. WATERS, 32257207. But the fingerprints are not his. In view of the aforementioned factors these remains are being declared **U N I D E N T I F I A B L E**.
