SUBJECT: Finding of Human Remains at the Gemeindewald Simmerath

REF: Personal Conversation on 2.6.75 in the City Hall Kesternich

Dear Mr. Witzel,

In reference to above conversation I like to inform you, that the aircraft wreckage found in 1960 at the Rursee are those of a 4 engine American airplane. Mr. Antes, Fireworker from District Koeln, stated, that the crashed airplane had carried 14 bombs ea 500 Kg, which were recovered by him. We are sorry, that further details cannot be furnished.

As inclosure, you will receive 2 maps in scale 1 : 25000, indicating by check marks the recovery place of 2 remains and wreckage parts.

In addition is a claim from the Carpenter Siebertz, Kesternich, dated 24.5.1975 in the amount of DM 154,29 requesting refunding same to our local Community Pay-Office.

Other costs which were incurred by the Community Simmerath in connection with recovery of remains, will, without saying, not be claimed.

Sincerely,

signed: Jansen
