7 September 1946

SUBJECT: Identification of American Deceased (Castelfiorentino).

TO : The Quartermaster General
Washington 25, D.C.
Attention: Memorial Division.

1. The remains of Unknown Americans X-258, X-259, X-260 and X-261 were disinterred from a common grave in the vicinity of Collina, Italy, Grid Coords: L 9.3-3.3, Sheet 11, Map of Italy 1/200,000 and reinterred in the U.S. Military Cemetery, Castelfiorentino, Italy: plot 2-J, row 89, graves 4804, 4805, 4806 and 4807 respectively.

2. The bodies were in a skeleton stage and no identifying marks were found except part of an identification card which read "S Sgt J. F. Coff _____ U.S. Army". Ownership of this card could not be determined.

3. A.G. Casualty cards, this theater, beginning with Coff through Coffy were processed to eliminate all personnel killed in action and missing in action, south of Rome. Of the three possibilities, only one (1) S Sgt Coffron, Willard J., 36 500 210, DDW is unrecovered.

4. The following physical characteristics are known:

X-258: Approximate Height: 5' 10".
Approximate Weight: 160 lbs.
X-259: Approximate Height: 6'
Approximate Weight: 170 lbs.
Brown Hair.
X-260: Approximate Height: 6'
Approximate Weight: 170 lbs.
Brown Hair.
X-261: Brown Hair.

5. Records, this headquarters, indicate that an investigation of the circumstances surrounding the disappearance of Pvt Leo L. Davis, 36 986 221, Pvt Thomas S. Fallin, 34 948 916 and Pvt Thomas B. Norman, 35 838 992, all missing in action 5 February 1945, reveals that on that particular date at 1400 hours, Company F, 133rd Infantry Regiment, 34th Division attacked from Grid Coords: 92° 826 with the mission to take and to hold the town of Collina,

Italy. About 10 minutes later, after an advance of approximately 150 yards on the road leading to Collina, the enemy inflicted heavy casualties on Company F. About two hours later Company F started to withdraw and by 2300 hours most of the men had returned. The above named were still missing.

6. Only the following 133rd Infantry Regiment Unrecovered Casualties are listed 5 February 1945:

Coffron, Willard J.	36 500 210
Davis, Leo L.	36 986 821
Fallin, Thomas S.	34 948 916
Van Ham, Harvey	36 452 284

7. Since the remains of Thomas B. Norman, 35 838 992, 133rd Infantry Regiment, KIA 5 February 1945 were found at Grid Coords: L 931-323, it is believed from the above information that subject deceased are, in truth, the four above listed men.

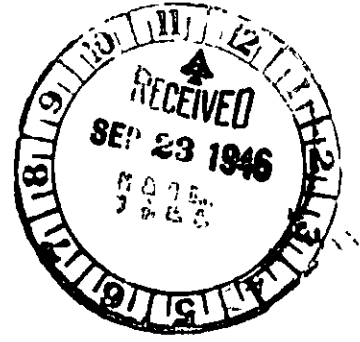

8. Request toothchart of X-258 and X-260 on file War Department be checked against the toothcharts of the above listed Unrecovered Casualties and a report of findings be submitted this headquarters as soon as practicable.
