INSTRUCTIONS:

(a) Great care will be taken to record the most minute clues for the future identity of unidentified remains. Fill in anatomical characteristics below, and any other clues under "Other," such as shoe size, social security number; position of body found in airplanes, vehicles, and tanks; and serial numbers of airplanes, vehicles, and tanks.

(b) A fingerprint, or prints, are the most valuable of all clues. Imprint all fingers and thumbs in the chart at left, or as many as possible. If no fingerprint or prints can be secured, the condition of each and every tooth will be indicated on the tooth chart in accordance with diagram below. Tooth chart will not be accomplished if one or more fingerprints are secured.

SUBJECT: World War II Unknowns

TO: Chief, Army Effects Bureau

1. As a result of a survey recently conducted at the Army Effects Bureau by a representative of the Memorial Division, it was found that there are approximately 200 cases of World War II Unknowns for whom personal effects are stored at the Bureau. All information pertinent to identification has been extracted from these effects and a complete inventory has been furnished the Identification Branch of all such effects.

2. Since the World War II Unknown personal effects will be of no further value to the Memorial Division for identification purposes, authority is hereby delegated to the Chief, Army Effects Bureau, to render administrative determinations on disposition of personal effects for World War II Unknowns.

3. A certificate signed by the Chief, indicating reasons for disposal of the property will be placed in the case folder and the case closed.
