1. The records pertaining to Unknown X- 6263, Plot X, Row 5, Grave 49, USMC St. Avold, France have been reviewed and it is the opinion of this office that insufficient evidence is available to establish the identity of this deceased, and that these remains should be classified as unidentifiable.

2. Report of Reprocessing was forwarded to your office by letter of transmittal No. 2594, dated 22 December 1947: No further information is available.

/s/ Capt. E. F. PRICE, Jr.

The remains of Unk X-6263 were recovered from the town cemetery at HOCHMUTTING, Germany, along with numerous American Unknown deceased. These remains may be associated with S/Sgt Daniel C. BEBECK 13105295 through the presence of a laundry mark on the clothing of S/Sgt BEBECK's ASN, Place of death and a similar height comparison. Thorough review of this case reveals no other identifying data to substantiate these three points.
