

Ralph Carnao (B/33) Box Score Map

www.7tharmdiv.org/33b-carnao-box-score.pdf

Some entries are obscured by the matte. The backing material and glue have greatly degraded some of the writing on the front. **Those in red were in B/33rd Armored Engineer Battalion in the April, May or July 1945 Morning Reports.** Uncertain or missing readings are marked with question marks.
