RECOGNIZING MERIT

General Stresses Importance Of Leaders' Course Training

General J. Lawton Collins, Army Chief of Staff, arrived by plane last Wednesday at Camp Roberts for a one day inspection tour of basic infantry training.

The General was honored with a 17 gun salute and an honor guard review by members of the 7th Armored Division Leaders' Course as he arrived on the post.

Accompanying General Collins on his short but thorough inspection of the camp were Lieutenant General Joseph M. Swing, Commanding General, Sixth Army, and Major General William B. Kean, Commanding General, III Corps. Brigadier General Frank H. Partridge, Commanding General, 7th Armored Division, escorted the visiting generals on their tour of the post.

General Collins awarded the Distinguished Service Cross to Sergeant First Class Gail B. Leachman of Inglewood, Calif., and Silver Stars to Sergeants First Class Calorce D. Rogers of Smackover, Ark., and William K. Choy of Hawaii, for their valorous action in Korea. The presentations were made during retreat parade on the Leaders' Course Parade Ground.

The General was particularly happy to present the awards at a review "of troops" made up of men taking the Leaders' Course. Men chosen for this course "were picked out of many thousands of men, as being fitted by character, physique, and courage to take

this extra training to qualify as non-commissioned officers and potential officers of the Army."

General Collins stressed the importance of continued training through Officer's Candidate school in order to help solve "the great problem before us in rotating men from Korea, and keeping up the fighting spirit of the Eighth Army."

"You have a rare opportunity in the American Army to advance if you have the competence to do it. If you've got the goods, your merit will be recognized," continued General Collins.

"I can assure you that no unit in the Army is any better than the squad leaders, the section leaders, and the platoon leaders," said the General, "because they are the men who really come in close contact with the enemy, and our Army is no better than our non-coms."

General Collins said he found the quality of training at Camp Roberts excellent, and congratulated the officers and non-commissioned officers on the fine work they are doing.

Housing Director Post Established For Servicemen

Major James P. Westerfield has been assigned to the new post of Housing Director for Camp Roberts, under the Office of the Deputy Post Commander, Colonel Robert I. Stack.

The primary function of this new office will be to act as liaison between the military and the landlords; secure contacts for any vacancies; and to maintain a current list of available housings.

Major Westerfield emphatically urges any departing military personnel to notify his office, telephone 57, building 3031, so that the information concerning the vacancy can be passed along to the people anxiously awaiting for housing.

Worth Noting

The expression "to gripe" about something is believed to come from the French "prendre en grippe," meaning to take a dislike to something.

A GREAT SHOW

Armed Forces Day Crowd Saw Colorful Celebration

It was colorful. It was dramatic. And it served to bring home the truth of the underlying theme that only through unity can we achieve the strength which will insure freedom. It was Armed Forces Day, 1952, observed with wholehearted dedication by the officers and men of Camp Roberts and witnessed by more than 5,000 visitors who started passing through the gates early Saturday morning.

Nearly 16,000 soldiers participated in the 7th Armored Division review which, with the presentation of awards by Brigadier General Frank H. Partridge, Commanding General, started the day off at 10 a. m.

Some 5,000 spectators—about evenly divided between Camp Roberts personnel and guests—trekked out to the Attack Course in the afternoon to see a demonstration of weapons and close combat fighting together with an assault on a supposedly enemy-held hill by an Infantry-Tank-Artillery team.

Hunter Liggett Exercise Planned For Next Year

A major exercise in the Hunter Liggett Maneuver Area is among the eight planned throughout the nation by the Army during 1952-53.

The Hunter Liggett exercise has been designated "Hill Top" and will be held in May and June of 1953.

Other exercises planned by the Army for the coming twelve month period include: "Pine Ridge" in West Virginia. "Snow Storm," a winter training exercise, Camp Drum, New York.

An amphibious exercise, "Sea Escape," at an unannounced location.

A Corps exercise, "Lone Star," Fort Hood, Texas.

A jungle exercise, "Brush Bay," Panama.

An atomic exercise, "Desert Rock," Nevada.

A Joint Chiefs of Staff-directed exercise, location and date not yet announced.

President Okehs Own Retirement

Col. Harry S. Truman has formally retired from the Army, White House officials recently disclosed.

Col. Truman was placed on the honorably retired list Nov. 5, 1951 "by authority of the President," after serving in the Army and Reserves since June 14, 1905.

MORE MONEY COMING

House, Senate Approve Measure To Increase Pay

Washington (APPS)—Congress has passed the long-awaited Armed Forces pay bill and only the signature of President Truman is necessary before it becomes a law. The pay increase will be retroactive to May 1. Both the House and Senate approved the bill unanimously.

Bill Signed

The military pay bill, as passed by the Senate and the House, has become law. It was signed by President Truman shortly after its adoption by Congress.

The bill is a result of compromise between two bills passed by the House and Senate. The measure adopts six important points as follows:

1. The base pay of all personnel in the Armed Forces will be increased four percent.

2. Allowances for quarters and subsistence of all personnel will be increased by 14 percent.

3. The base pay of midshipmen and cadets at the Military, Naval and Coast Guard Academies, and of aviation cadets of all Services will be increased four percent.

4. The pay of all persons on the retired lists of all Services will be increased four percent.

5. A raise in pay of enlisted rates will be authorized for certain members of the maritime service, which is operated under the jurisdiction of the Department of Commerce.

6. Personnel appointed to the Military and Naval Academies prior to 1912 and 1913 will be permitted credit for military and naval service provided they could count that service when they retire.

Of the six points, all are permanent except the quarters allowance for enlisted personnel. This runs concurrently with the Dependents Act of 1950 which

expires April 30, 1953. At that time, Congress may elect to continue the act or let drop. If they drop it, this would mean that dependents of enlisted men below the rank of E-4 would not receive any quarters allowance.

The Defense Department has stated that increases in monthly allotment checks reflecting the rate cannot be effected for three months due to mechanical difficulties. The increase, however, will be paid to the individual serviceman as an increment of his regular pay for two months following the month in which the bill is enacted. Thereafter, the raise will be reflected in regular monthly allotment checks.

Leave rations and commuted rations are not increased under the terms of the act. These items are authorized to be adjusted by provisions of the annual appropriations act.

AF Day Committee

Great credit for the success of Armed Forces Day is due the Armed Forces Day Committee which started working on the 28th of March. The committee included: Col. Frank L. Denise, Project Officer; Maj. Stephen E. Zdravecky; Maj. Irvin M. Roth; Maj. Joseph T. Kasel; Capt. M. L. Carr; Capt. F. E. York; Capt. Malcolm L. Strehle; Capt. H. V. Carlock; and 1st Lt. Jack C. Smith.

IT'S ALL OURS—Looking East can be seen the thousands of interested spectators visiting Camp Roberts on Armed Forces Day. Appearing as tiny dots, the onlookers completely surround

the solid ranks of soldiers lined up in front of the reviewing stand on the world's largest parade ground. The photo was taken at an altitude of 5,000 feet from a L-19 Camp Roberts

observation plane, piloted by Lt. Harry Archer, division aviation officer. Photographer John Anderson, of Shannon photo service, snapped the shutter at 10:30 a. m. just as the participating units

were preparing to troop past the reviewing stand of Brigadier General Frank H. Partridge, Commanding General, Seventh Armored Division, and his party.

CONTEST RESULTS

Nine Students Selected As Winning Essayists

Nine students in schools of San Luis Obispo County and Southern Monterey County submitted winning essays on Armed Forces Day.

The successful essayists from San Luis Obispo County were: Carol Joyce Lumley, Atascadero Elementary School; Bobbie Weatherman, Templeton School; Edith Brown, Paso Robles Elementary School; Wilmer Bruce Bower, Paso Robles High School; Lorna Silva, Shandon Elementary School; and Teresa Jobe, San Miguel Elementary School.

San Luis Obispo General Visits

Brigadier General Harry Reichelderfer, Commanding General of Camp San Luis Obispo, arrived Tuesday on a return visit to the Commanding General of Camp Roberts, Brigadier General Frank H. Partridge.

He was escorted on his inspection of the honor guard of the 505th Military Police Battalion by Lt. John G. Stanisfalis, Company C, of the 505th.

On hand to greet General Reichelderfer were General Partridge and the 7th Armored Division Band.

While They Last

A few copies of the special Armed Forces Day issue of the Camp Roberts Parade are still available. They may be obtained, while they last, by calling at the Parade office, Building 3031.

Canada Selected For TIC Study

Sometimes we know the least about the people around us. Such an example is our neighbor to the north, Canada. Most of us take Canada for granted. In fact, some of us may even think of Canada as almost a part of the United States, and probably no other two countries such as Canada and the United States can boast of a border in excess of three thousand miles without military contingents facing each other.

To this country Canada is many things. It is a neighbor and a friend made up of people very much like ourselves, and, too, it is our best customer and a supplier to us, particularly of paper and important minerals. Without a doubt, our greatest source of newspaper pulp is found in the forests of Canada. Americans have investments in Canada in excess of six billion dollars.

Last, but not least, we should always be aware that Canada is joined with us as a partner in the North Atlantic Treaty Organization and is committed as much as we are to the defense of Europe and the North Atlantic nations.

Perhaps for this reason, if not for the others, we should know as much as possible about Canada. It will be the purpose of the Troop Information hours throughout next week to bring Canada closer to all of us.

Guided Missile Class Commences

A new class for the Guided Missile Officer Course has been started at the Anti-Aircraft Guided Missile Branch of the Artillery School, Fort Bliss, Texas.

The class will run for eight months and is designed to supply missile officers needed for research and development work.

The following students from Southern Monterey County were also essay winners: Chester Jones, Greenfield Union Elementary School; Milton Heinsen, San Antonio Union School; and Marcia Gaines, Parkfield School.

Representative of the fine work submitted by these school students was the following essay entitled "The Armed Forces Unity-Strength-Freedom" by Wilmer Bower, freshman at the Paso Robles High School.

"During these times of turmoil and unrest between nations of the world, there has arisen a great need for unity and strength to preserve our freedom and liberty. Strength and unity cannot come simply by creating large armed forces and putting the people to forced labor in defense factories. It must have one great factor which is missing in most countries, a fighting spirit.

"Since 1776, the United States has built and cultivated such a spirit, and it has grown stronger through the ages. It has brought us through five wars, the Revolutionary War, Civil War, Spanish American War, World War One, World War Two, and is now bringing us through the Korean War. Any nation that can survive so many wars and still emerge peace loving, fair to the enemy, and generous toward war ravished countries must be a great nation.

"The United States is the last truly strong bulwark resisting communistic tyranny. It is strong because of its great industrial powers, its well trained and well organized armed forces, and the great spirit which lives in both the fighting man and the civilian."

Craft Program To Be Extended

Plans to enlarge the light crafts program in its Craft Shop with the addition of metal work and plastic are under way at Service Club No. 1.

Instruction in the new subjects will be given by Pfc. Navarro R. Davidson, Company B, 129th AOMB, and in general charge will be Miss Marjorie Herzog.

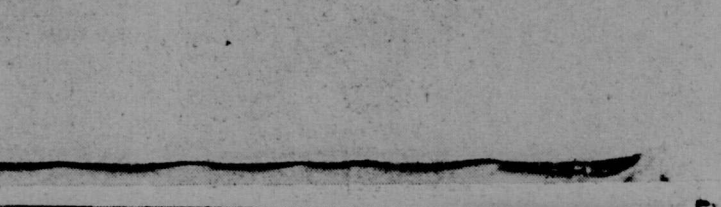

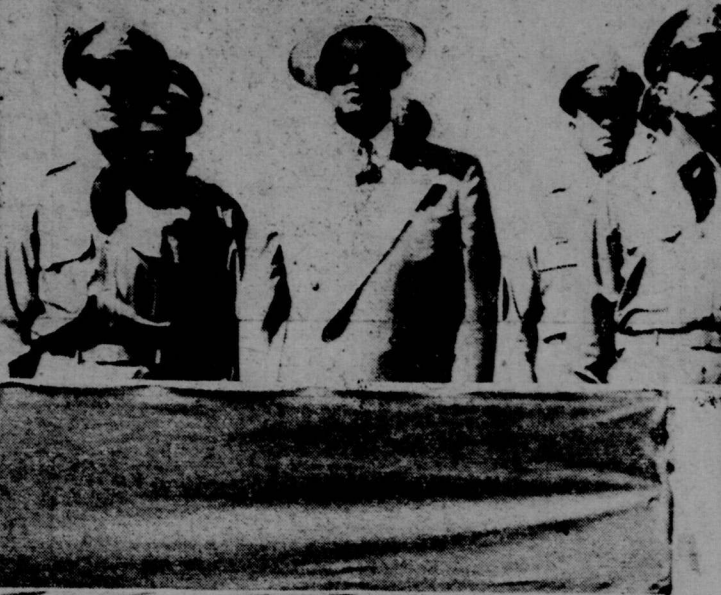

Enlisted personnel and dependents are invited to join the current crafts classes which are being given from 1900 to 2200 hours on Tuesdays and Thursdays.

Former Visitor Gets Army Executive Post

It was officially announced today that Fred Korth has been appointed Assistant Secretary of the Army relieving Earl D. Johnson.

Mr. Korth was formerly the Deputy Department Counselor of the Department of the Army, in Washington, D. C.

The new Assistant Secretary of the Army was a visitor to Camp Roberts during the year 1951.

REPORT from WASHINGTON

The Army has issued a call for 10,000 inductees in June and 31,000 in July. Quotas for August and September will be about as large as the July call. The Marine Corps, Navy and Air Force believe they can meet their requirements by volunteers. The June and July call will bring the number of men inducted since the Korean outbreak to 954,430.

The first shipment of scrap metal from Korea has arrived in the U. S. The shipment, which includes abandoned weapons and broken vehicular parts, is valued at nearly \$5,000,000 and weighs approximately 7,700 tons. It brings to 165,000 tons the total amount of scrap metal collected in the past ten months during the Army's salvage campaign.

A major portion of the Ground Observer Corps affecting 27 of 36 states, will soon be placed on 24-hour operation, the Department of the Air Force has announced. The GOC, a volunteer civilian organization under the control of the Air Force, now includes approximately 150,000 volunteers in the 36 states. Code name for round-the-clock duty will be "Operation Skywatch."

Appointment of 23 enlisted personnel to the temporary grade of warrant officer with date of rank from April 1, 1952, has been announced by the Department of the Navy. Nearly one-third of the promotions went to chief yeomen, with chief personnelmen following.

Local selective service boards throughout the U. S. soon must begin reopening the cases of all youths with educational deferments. National Selective Service headquarters has announced. Under the Selective Service law, local boards can grant deferments for only one year, except to certain high school students. Regulations specifically require the reopening of cases at the end of the academic year for all youths granted educational deferments to attend college.

NSLI Dividend Payments Await Written Request

A written request for cash payment on National Service Life Insurance dividend accumulations after January 1, 1952, must be made to the Veterans Administration before payment, the Department of the Army has announced.

Service members who are entitled to a 1952 or subsequent dividend and who have not been paying premiums may be paid by sending the VA in Washington, D. C., the following information: Full name, mailing address, service number, insurance number, date of birth, signature and date, and a statement saying, "I elect to have paid in cash any dividend which may become payable to me on or after January 1, 1952."

Anyone paying premiums by direct remittance to the VA may obtain a form at the local VA office to apply for the payment.

Atom Artillery Support Called New, Devastating

A "new and devastating" atomic artillery weapon has been described by Secretary of the Army Frank Pace, Jr.

The atomic gun, said Secretary Pace, "can hit its target under any weather conditions and give ground troops the kind of devastating close support never before available in warfare."

"It is essentially an artillery piece—but with immeasurably greater power than any artillery hitherto known.

"Carried on a platform, supported between two engine cabs at front and rear, this highly mobile atomic weapon can travel at a speed of about 35 miles per hour on highways.

"Weighing about 75 tons, it can cross bridges which Army engineers are already trained to build for present heavy divisional equipment.

"It can travel cross-country and fit into a landing ship designed for amphibious operations.

"It can fire with accuracy comparable to conventional artillery, and tests indicate it is much more accurate at long ranges."

Veterans To Get Brace Repairs With VA Cards

Emergency repairs may now be made on the orthopedic braces worn by disabled veterans without prior approval of the Veterans Administration, the VA has announced.

VA regional offices are now issuing cards which entitle handicapped veterans to this new service.

At Camp Roberts minor repairs can be made at the orthopedic clinic but no actual shop exists. Plans are being made and information is being obtained for the establishment of an orthopedic clinic here at the hospital.

Disabled veterans in this vicinity now must go to the Camp Cooke Army Hospital or to the Presidio of San Francisco's Letterman General Hospital for major brace repairs.

Weapons Pool Gets New Status

The Weapons and Equipment Pool at Camp Roberts last week became a separate detachment under the jurisdiction of the Station Complement Battalion of 6100 Army Service Unit.

Function of the unit is the care, maintenance, operation, and supply of weapons and equipment for the support of 7th Armored Division training.

Before its designation as a separate detachment, the Pool was attached to G-4, supply and maintenance of the Army.

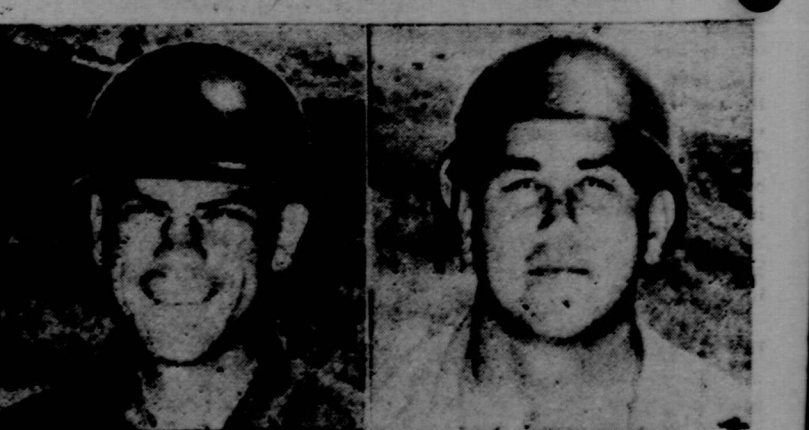

Saving Soldiers Collect Nest Egg

The Army Finance Corps has reported that 29,822 soldiers released from active duty from July 1, 1951 to Mar. 31, 1952 collected an average of \$481 plus interest from Soldiers Deposits.

The Army personnel had taken advantage of the Soldiers Deposit Savings Plan which allows them to save portions of their pay at four percent interest a year. They receive the money upon release from active duty or at the termination of their enlistment.

As of Mar. 31, 1952, 217,963 soldiers had \$421,066,660 stowed away. This compares with \$37,728,123 on deposit July 1, 1951 when 156,659 soldiers were participating.

CHAPLAIN'S MESSAGE

The Issues Of Life

By CHAPLAIN (CAPT.) VERN A. SLATER
It was my privilege to sit in on the famous Nurnburg, Germany, World Tribunal deciding the fate of 21 Nazi leaders in World War II. Rosenberg was No. 5 in the front row, but No. 1 Reich leader for Nazi ideology and philosophy. Need we more than remind ourselves that as a stream can rise no higher than its source, so a nation can rise no higher than its ideology.

Rosenberg may have been a brilliant intellectual, but we see in him a good example of a mighty energy gone astray from the ways of truth and godliness. His philosophy was the heart of the whole Nazi way of life. Out of that heart flowed the whole Nazi way of life. Out of that heart flowed the issues of Nazism. I looked upon the rubble of Europe's ghost cities and the millions of war dead as a symbol and a monument to the horrible harvest of godless ideas which he propagated in the name of Nazism.

and philosophy of life. May God help each of us to keep our thoughts in harmony with Divine truth. In a world of confused and perverted ideas, we earnestly urge you to remember His challenge: "My thoughts are not your thoughts; neither are your ways My ways, said the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways and My thoughts than your thoughts."

2. Sow an action and you reap a habit.
3. Sow a habit and you reap a character.
4. Sow a character and you reap a destiny.

ROBERTS THINCLADS SIXTH ARMY CHAMPS

A WALK-AWAY

Roberts Thinclads Outpoint Opposition For Sixth Army Win

Sweeping away their nearest opposition by more than twice as many winning points, Camp Roberts thinclads raced home with the Sixth Army Track and Field Championship at Hartnell College near Salinas, last week. The victorious trackmen totaled 72½ points including four first places.

Fort Lewis was second with 35 points; Fort Huachuca, Ariz. third with 18 points; Presidio, San Francisco, fourth with 15 points; Fort Ord fifth with 14.5 points; Camp San Luis Obispo sixth with 14 points; and Fort MacArthur seventh with 6 points. Champions Norm Price, Ollie Wright, John Renner, and Forrest Fraasch, with track coach, Lt. Springer, are now in training at Presidio, San Francisco, for the All-Army track and field meet to be held at Edwards Field, University of California, Berkeley campus, 30-31 May.

Hurdling Norm Price accounted for two first places in the Sixth Army meet, one in the 110 meter hurdles with a time of 15.6 seconds, and the other in the 400 meter hurdles breaking the tape in 59.4 seconds. The speedy Price also came in a good second in the 400 meter dash, close on the

first place. The Fort Huachuca runner broke the tape with Roberts Forrest Fraasch a close second. Marshall Rowlette San Luis Obispo, was third, and Dave Kidder, Fort Ord, fourth.

Rowlette came back strong in the 10,000 meter run, however, taking the event in 34 minutes and 40 seconds. Forrest Fraasch failed to get out of second place, while Maurice Ellis, Fort Lewis, was third and Dave Kidder, Fort Ord, held down the fourth spot again.

Camp Roberts had a strong team entered in the 110 meter hurdles, with Norm Price in the lead, Walt Lumpkin whipped in right behind him for second place. Unfortunately Graham Johnson, Presidio, outran Aubrey Cole for the third spot, or it would have been a clean sweep.

In the 400 meter hurdles Price

IN THE LEAD

Pitcher Bob Ross Leads CCA To Victory Over East Garrison, 7-1

Combat Command A leads the league undefeated after its Armed Forces Day win over the powerful East Garrison nine at Windbreak Field.

Behind the cool, steady pitching of Bob Ross, CCA steamrolled over its opposition with a final outcome of 7-1.

Beginning with the first inning, CCA racked up six hits, and six runs, with Holmquist starting it off with a single. Price hit to 3rd baseman, Honner, and on a fielder's choice made it to first. Dickens followed up with a base hit, Mouton walked, and Herald got a base hit with the bases loaded, bringing Dickens and Price across the plate.

Greenhagen knocked out a two-base hit scoring Mouton and Herald, and a base hit by Phillips scored Greenhagen, making the tally 6-0.

Ken Woods replaced East Garrison's starting pitcher, Cy Tardo,

and materially strengthened the Garrison team. They scored their one run in the fourth inning when Al Mitchell got on first on an error. Joe Potts banged out a two-base hit bringing in Mitchell.

The only other scoring was by CCA in the seventh, when Gil Dickens hit to left field and was safe at first on an error. Al Mouton followed with a hit to center field, and was safe on another error. Then Ray Herald got a nice hit into right field, and Nathan made a beautiful one-handed catch for the out, leaving the score 7-1.

Here's a Chance to Beat Golf Champ Hogan's Score

National Golf Day, Saturday 31 May, will give every serviceman or woman an opportunity to play the U. S. Open Champion, Ben Hogan. Any golfer that beats Hogan's round will receive a specially cast bronze medal inscribed "I beat Ben Hogan, National Golf Day, 31 May 1952."

National Golf Day is sponsored by Life Magazine and the Professional Golfers Association. One half of each entry fee of \$1.00 will be donated to USO, it was announced by John H. Reardon, Director of the San Miguel USO Club.

To play Hogan, servicemen or women play an 18-hole round on a local golf course—on the same day Hogan plays 18 at the Northwood Club, Dallas. It's Hogan's score against the field.

All contestants will be allowed full handicaps. If a serviceman does not have an official Club Handicap he will be allowed to use the "Calloway Handicap" system.

National Golf Day will make official entry blanks available to all courses. The USO is making plans to assist members of the Armed Forces to enter the contest.

Player's Injury Halts Game In Last of 6th

Some players slide into home and come out unscathed, but such was not the case of DivTrains' Martin. He slid into home and came out with a busted ankle, resulting in the game being called in the last of the sixth.

DivTrains was ahead of DivFac by a score of 8-3, scoring two runs in the second inning, while DivFaculty got its three runs in the third inning with Harry Diddler hitting a two-bagger, Frank Mancuso a single, and Daryl McWhite a triple. McWhite's triple brought two runs across the plate, and Banta followed up with a single, scoring the other run.

Burtner, Bullock Star In Reserve Command's Game

With the whopping score of 13-3, Reserve Command outplayed Combat Command B in the May 8 ball game at Windbreak Field.

Starting off in the first inning, Reserve Command's Billy Bullock, and Ray Burtner smacked out home runs, followed with a two-bagger by Bob Ogle. Jim Grivey got a nice hit, and on a wild throw to first two runs crossed the plate.

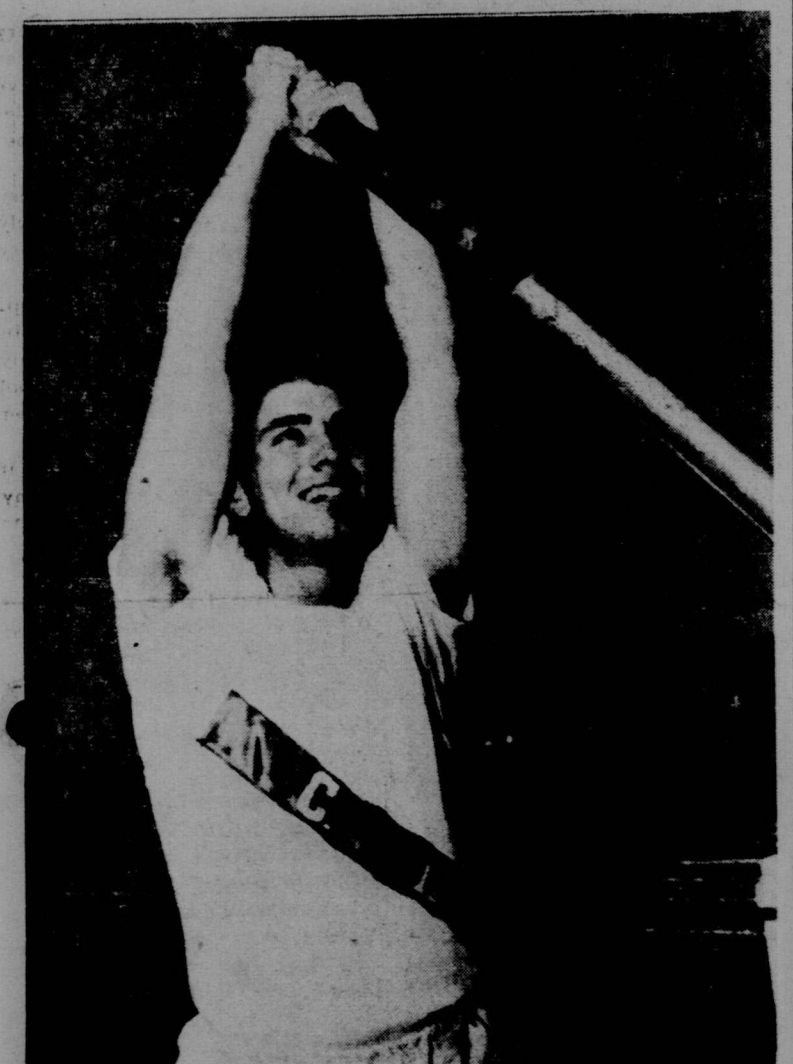

Burtner and Bullock continued hitting in the second inning with a base hit apiece bringing two more runs in. With CCB at bat in the last half of the fourth and two men on base, Staten hit a single bringing Beauman in and advancing Burrows to third. Burrows was caught off base by a throw from catcher Burtner to 3rd baseman Bullock, retiring the side.

In the first half of the fifth Bob Ogle of Reserve Command got off a good two base hit, and Jim Grivey swatted one to the first baseman. On a fielder's choice Bullock romped home from third. Grivey later stole second and on a two base hit by Flora, both Ogle and Grivey came home. However, Flora was put out at third ending the inning with a score of 10-2 in favor of Reserve Command.

Reserve Command's Ogle got a base hit in the sixth, and when Oster hit a two-bagger, Ogle came on home. The seventh saw Danzer get a single and Davis hit a double bringing in Danzer. Then Burtner hit a single bringing in Davis.

The seventh also saw CCB's Stenburg hit a single, Beery get a base on balls, and Stenburg put out at third. Beery came on home on a pop fly, ending the ball game at 13-3 in favor of Reserve Command.

It's possible the cow jumped over the moon because the milkmaid's fingers were cold.

OVER THE TOP—Clearing the bar at 11 feet 2 inches for the Sixth Army Championship is 7th Quartermaster's Larry Hogge, of Camp Roberts. The Skyscraper Hogge looks anything but sad, as he sizes up the big bar and helps his team pile up 72½ points to take first place in the track and field meet held at Hartnell College in nearby Salinas last week. (U. S. Army Photo.)

GANGWAY—DivArty's hurdling champion, Norman Price, clears the last obstacle winning two first places in the 110 and 400 meter hurdles. The Sixth Army Champion also came in second in the 400 meter dash and is now in training at Presidio, S. F., for the All Army Track and Field Meet to be held in Edwards Stadium, Berkeley, on the 30-31 May. (U. S. Army Photo.)

Lewis, fourth. The winning throw of 130 feet 1 inch was made by Harold Norton of Fort MacArthur.

With a put of 42 feet, John Bologna, Fort Huachuca, took first place in the shot put. Roberts' John Renner was second, with his partner, Dave Caldwell in third place. San Luis Obispo's Don Shultz was fourth.

Camp Roberts Renner tossed the discus 128 feet 11 inches which was the winning toss of the day, and Dave Caldwell strengthened the point advantage by taking second place. Fort Ord's Allen McHenry was third, and MacArthur's Harold Norton fourth.

The hop step and jump provided Camp Roberts with a third place winner, Aubrey Cole. Oliver Officer, Fort Lewis, and Art Mays won the event skipping 40 feet 10 inches, with Don Shanks, Fort Fort Huachuca, in fourth place.

All in all it was a very successful meet and Camp Roberts is proud of; DivArty's Price, McClendon, McDavid, Caldwell, and Renner; 7th Quartermaster's Wright, Hogge and Coulter; Reserve Command's Sullivan, and Redfield; CCA's Utke, and Taylor; DivTrains Fraasch, and Wing; and Div Fac's Lumpkin and CCB's Cole.

NEW JERSEY BOUND

Champ Boxing Team Flies East For All-Army Tournament

Taking a good bead on the All-Army Boxing Championships, 27-31 May, Camp Roberts' mittmen are on their way to Fort Monmouth, N. J., to add more honors to their growing list.

If the Sixth Army Champs are successful on this mission, they are set to compete in the National Invitational Tournament at Kansas City and a possible berth on the Olympic Team.

Lightweight Norm Walker is a heavy favorite to cop the title in his division due to his terrific showing during the semi-finals at Letterman General Hospital, S. F., and in the finals for the Sixth Army Championship at the local Sports Arena. A TKO artist with a definite touch, Walker will need all of his skill and technique to overcome the expected strong competition from Army camps all over the world.

However if the battle-scarred veteran of the rosin connects with his favorite right cross KO punch like he did with Joe D'Avy from the Desert Chemical Center, Tooele, Utah, it will all be over and just a matter of history.

The luckless D'Avy was floored in 1 minute and 30 seconds of round two, and he was out for approximately two or three minutes.

Sammy LaCross is another fighter who will bear watching as he had the companion TKO in the finals. The junior welterweight was awarded a TKO over John Cobbs, Fort Lewis, Wash., after only 2 minutes and 15 seconds of the first round.

Senior welterweight, Len Walker, brother of Norm, and winner of the Sixth Army Sportsmanship Trophy in addition to the Team Trophy will make the trip as an alternate fighter.

The roster of the champions making the trip includes: Walt Smith, flyweight; Mas Unemoto, bantamweight; John Garrity, featherweight; Sammy LaCross, junior welterweight; and Walt Russell, light heavyweight. Capt. Glenn Wymer and coach Pat Nappi of Camp Roberts will accompany the team, and Sergeant Lorenzo, Sixth Army will be the trainer.

Impressive Record Made By 23rd AIB

The 23rd AIB passed the 100 mark in the amount of USAFI participation by totaling 103 participants through last week.

The unit received one point for each NSAFI or group study class enrollment and one point for each GED test completed. The 38th AIB is pushing the 100 mark with a total of 93 points.

CCA Wins, 12-5

Bolstered by second baseman, Price, who played class B ball in the Carolina League, and with the addition to their roster of first basemen Fletcher, a member of the All-Japan team in 1948-49, Combat Command A made it 12.5 in their favor in the game with 7th Quartermasters last week.

Crossin Pitches CCB to Victory

Combat Command B takes on the East Garrison today at 1715 hours at Windbreak Field. The CCB team finally climbed out of the cellar with spectacular suddenness behind the power-ball pitching of big right-hander, Mike Crossin.

A former player in the Pioneer League, Ogden, Utah, Crossin held the 7th Quartermasters to three hits, and struck out a record total of 14 men. Pitcher Crossin also was no slouch at the plate, knocking out two for three.

CCB came into their own in the fifth with Burrows getting two doubles and a triple, Hanson a double, and Bronstead, a double, making the final score 10-1.

He bet her she wouldn't marry him, so she called his bet and raised him five.

East Garrison Makes Short Work of 6100

A powerful East Garrison team outscored 6100 ASU 14-5 with the biggest inning coming in the fourth, when 6 runs crossed the plate. The game was played at Windbreak Field May 9.

East Garrison tallied 3 runs in the first inning, 2 in the second and fifth, and 1 in the sixth. Morse and Mitchell each knocked out three hits, while Mossett hit three for four. Although Cottle was new in the lineup, he proved an added strength, keeping the hits well scattered.

WHAM—CCA's top pitcher, Bob Ross takes a healthy swing and connects during the Armed Forces Day Game played at Windbreak Field. The former Washington Senator player led his

undefeated team to a well-earned 7-1 victory over their strong contender, East Garrison. Expectantly awaiting the outcome of Ken Woods pitcher are catcher, Joe Potts, and Umpire Dale Stucky. (Signal Photo.)

SALLY FORREST had a full schedule last Saturday as "Sweetheart of the 7th Armored Division." The MGM star was present in the morning at the Division Review where she is shown chatting with members of the Atascadero High School Band. Appearing later on the stage of Theater One, she presented a dance interpretation that thrilled a large audience.

STAR PERFORMANCE

Dancer Thrills Audience With Beauty And Talent

Sally Forrest, newly crowned "Sweetheart of the 7th Armored Division," proved herself a star as she performed last Saturday at Theatre One. The beautiful, petite MGM dancing star was attired in a stunning costume that enhanced her beauty and evoked much praise from the starry-eyed audience.

USO Club Dance Well Attended

The Thursday night dance at the Paso Robles USO Club was one of the best attended dances in its history. Throngs of GI's mingled with junior hostesses. Junior hostesses who danced with military personnel were as follows: Ila Jo Burkland, Shirley Hoyt, Alberta Bressette, Joann Biewert, Velma Aston, Leslie McKanna, Dorothy Brown, Alice Pesenti, Stella Pesenti, Celia Torres, Jean Parker, Solie Torres, Mildred Winjum, Eleanor Winjum, Phyllis Hirschler, Marlene Lawson, Diantha Chacon, Barbara Jones, Helen Sims, Dorothy Figg, and Nancy Woone.

Despite the good turn-out of junior hostesses, the increased number of men flocking to the dance requires more junior hostesses. An urgent appeal is extended to all potential junior hostesses to call the Paso Robles USO Club at 1537 to volunteer their services. All interested are cordially invited to visit the Club and talk with Mary Ruth White. Delicious cakes and punch were served by the Mineral Club. Those bringing cakes and helping to serve were Betty Cousins, Mrs. Tom Reynolds, Mrs. C. C. Putnam, Mr. Huff, Mrs. H. C. McGeorge, and Mrs. Montgomery.

ENTERTAINMENT

Spring Season Has Seen Outstanding Successes

This spring has been a particularly outstanding one from an entertainment standpoint. Under the fine leadership of Lt. John H. Pritchard, the Entertainment Section has accomplished a great many innovations. Last February a new policy was adopted whereby each Saturday and Sunday evening would find a live presentation gracing the stage of Theater One.

USO Again Sends Hollywood Units To Pacific Area

To meet the increased entertainment needs of U. S. Armed Forces abroad, USO Camp Shows has launched a stepped-up production program that includes sending entertainment units directly from Hollywood to the Pacific area, it was announced last week by Dean McNutt, chairman of the Paso Robles-San Miguel USO Committee.

"This is the first time since reactivation of USO Camp Shows in May 1951 that show troupes have been organized in Hollywood," Mr. McNutt pointed out. "During that time," he added, "Thirty USO Camp Show units have been sent from New York to Korea, and the Pacific area, for an average of two units every three weeks. In addition, fifty entertainment troupes have played in Alaska, European, and Caribbean areas."

The first of the Hollywood-assembled troupes, "Western Jamboree" and "Four Queens and a Joker," left the country on May 12, just a year after the first reactivated USO Camp Shows unit left for Korea in 1951.

"Western Jamboree" is a variety show of six "cowboys" and two "cowgirls" specializing in popular folk music, homespun comedy and novelty acts. "Four Queens and a Joker" includes a comedian, two singers, a violinist, and a pianist.

Camp Shows, Inc. is one of the seven member agencies of USO. The other agencies are the Young Men's Christian Association, the National Catholic Community Service, the National Jewish Welfare Board, the Young Women's Christian Association, the Salvation Army, and the National Travelers Aid Association. USO is supported through the voluntary contributions of the American people. Locally USO is supported through Community Chest.

Aqua-Belles Present Excellent Show At Swimming Pool

QUITE A LINEUP—A very excellent display of aquatic art and precision maneuvers was executed by this lovely group of young ladies at the post swimming pool during the celebration of Armed Forces Day at Camp Roberts. The aqua-belles are composed of Paso Robles' high school students, Camp Roberts' civilian employees and one University of California college student. Coached by Mrs. Kate Vilen, they have been displaying their aquatic talents for the past three years, and most recently in the Paso Robles Inn pool. The overflow crowd enjoyed them tremendously. (Signal Photo).

FAMED FUNNYMAN Bob Hope will join the Roberts Parade of Entertainment when he brings his radio troupe to the post for two shows on May 30th. The great comic's lightning ad libs and ebullient personality will highlight a show that will also feature Jerry Colonna and Les Brown's top-flight band. Hope's extensive activities in providing entertainment for the Armed Forces have been an important factor in keeping morale at a high level and the "Clown Prince" will keep 'em laughin' as he cuts loose with a few of his renowned capers. Remember the date, May 30 at the Sports Arena for the Bob Hope Show.

OFF-DUTY HOURS

Special Services Work Helps Build High Morale

"The morale of the troops is very high." How often has that statement appeared in connection with an outstanding battlefield accomplishment? On innumerable occasions, a seemingly impossible mission has been carried out due, in no small measure, not only to the men involved, but also to the condition of their 'morale.' The questioned courage and heroism of spirit of a group of fighting men is of prime importance in their success or failure.

To assist in building and maintaining this morale, the Army has established a definite organization whose primary mission is to set up a complete diversified off-duty program for its men. A program that promises something of interest to everyone. Not only must this promotion stir spectator interest but it must encourage and emphasize active participation on the part of Armed Forces personnel.

Students Taught Cheating Tricks

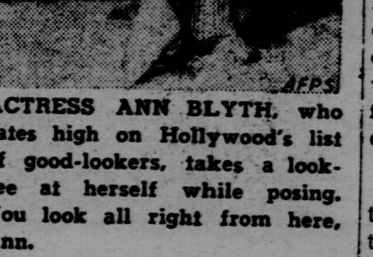

M/Sgt. James J. Hurley has an unusual Army job. He forges bad checks and passes counterfeit money during his normal day's work.

Sgt. Hurley is one of 25 instructors at the Army Finance School, Ft. Benjamin Harrison, Indianapolis, Ind., assigned to teach student cashiers all the tricks of cheating. And it's a lesson that "pays" off.

In a recent day's work, the sergeant cashed a counterfeit \$20 bill, forged a check for \$75, palmed \$15 by the "short count" routine and sole a blank sheet of government checks, later forging them in the name of another cashier for thousands of dollars.

These are just a few of the techniques Hurley employs in instructing the students to be alert. Graduates are usually assigned to Army installations, embassies, and consulates and must be prepared to handle any one of 3,000 typical situations.

post together with professional songstresses and a chorus including eight young ladies from the Paso Robles High School, the immortal melodies of Sigmund Romberg and Rudolph Friml came to life in the festival of song.

The talented cast romped through those outstanding numbers of "Desert Song," "Student Prince" and "Rose Marie" with a contagious enthusiasm that spread to the audience. To single out any one performance would be to praise the entire show.

In "Rose Marie," Pvt. Fred Birdsong, Steve Stagner, and Charles McClain joined beautiful Helen Welles in the presentation of "Indian Love Call," "Totem Tom-Tom" and the title song.

Pvt. Frank (Hard-boiled Herman) Milevich opened the show on a rollicking luff-packed note. The tapping toes of SFC Ray Hollingsworth delighted the audience as he performed to the happy strains of "Totem Tom-Tom." As a finale to the first act the entire singing ensemble provided background music to a fashion parade featuring gorgeous gowns by Edys of Paso Robles.

In the interim between "Rose Marie" and "Student Prince," petite Sally Forrest, MGM star, and comic Dave Ketchum entertained the capacity crowd.

"Come boys, let's all be gay boys." Led by the rich voice of pretty Pat Lewis the ensemble merrily and melodiously sang the "Student March" from Romberg's "Student Prince." Pvt. Steve Stagner's vibrant tenor brought new beauty to the haunting "Serenade." Pvt. Wally Nolin joined Miss Lewis in the lilting "Deep In My Heart" and "Just We Two." The famed, rollicking "Drinking Song" received a properly enthusiastic rendition by the ensemble as the curtain came down on the mythical Heidelberg.

John Pritchard, Dick Elliott, and Joe Ingber evoked gales of laughter with a hilarious sketch entitled "Bussin' the Bees." Elliott's uninhibited clowning, previously seen here in numerous theatrical excursions, was the comedy highlight of the show.

"The Desert Song," probably the most popular operetta of all time, served as the last act. The never-to-be-forgotten songs of Romberg's greatest show received top-flight interpretations. Pvt. Earl Preston's true, ringing tenor brought the great "One Flower" to musical life. Gracious Lorna Field's magnificent voice was joined by Marty Braunstein's resonant baritone in the romantic duets of "One Alone" and the "Desert Song." Ballerina Ruth Swanson, beautifully costumed, gave us an exciting, provocative dance version of the "One Flower Ballet" and Ray Hollingsworth rocked the house with his hoofing in a jazzy version of the "Shick of Araby."

The entire cast was on stage for a full-voiced rendition of the "French Marching Song" which was accompanied by precise marching as the grand finale of the show left the audience clamoring for more.
