## 'Share The Ride' Drive Started To Help Troops

### Film Studio Will Use Roberts For Location Shots

Camp Roberts will take on a Hollywood motion picture studio atmosphere around 1 February when location shots will be filmed here for the movie "Mission Over Korea."

Work will continue for ten days. The picture's story deals with the plight of a liaison pilot during the first two weeks in the Korean War. It is expected that actor John Derek will be featured in the production though it has not yet been confirmed whether he will be present for the location filming.

One reason for the film unit coming here is that the terrain around Camp Roberts is peculiar to that found in Korea. The mountainous country just west of the main garrison is quite similar to that found in southern Korea. As one travels west along the Nacimiento River, the area becomes more rugged and wooded, just as it would if one were traveling north in Korea.

The Air Force will contribute three F-51 fighter planes, painted with North Korean insignia, to appear as Yak fighters, along with a liaison plane for the hero role. The picture will also include M-24 tanks. Since these light tanks were the only model in Korea during the early days of the fighting, they will offer added authenticity.

Support the... **MARCH of DIMES**

A project initiated last week by the Post Safety Office should do away with the dangerous congestion of weekend "thumpers" outside the main gate and gate No. 7 at East Garrison.

Because of the problem created by the great number of persons lining the highway especially on weekends, and the danger of fast moving traffic on Highway 101, the Safety Office has erected "share a ride" signs inside the main gate and gate No. 7 in hopes that those desiring lifts will be picked up inside the gate, thus avoiding the danger of fast moving autos halting on the busy highway.

"The success of this program," said Mr. Zemlin, Post Safety Director, "will depend upon the cooperation of drivers and persons desiring lifts. Drivers leaving the base with room in their

car for one or more passengers should make a habit of driving by the area and offer to share a ride. In turn, the men who are picked up should extend the courtesy of showing the driver an ID card to assure automobile owners that they are picking up military personnel."

The signs clearly designate what direction a rider wants to go. They are so located that a driver headed for San Francisco will have to stop only at the sign "Share a Ride North."

Likewise, motorists driving toward Los Angeles need only to stop at the sign "Share a Ride South." By standing near the sign indicating the direction in which they are going, riders can assure drivers a quick stop without the usual confusion experienced on the highway.

### Promote 993 Men Here This Month

Promotions during the current month from rank E-3 through E-7 will amount to 993 at Camp Roberts.

These promotions will affect men in the Division, the Post Complement and reserve units.

In the entire Sixth Army Area the quota is 7,716 enlisted promotions. This is the largest quota received since the new promotion system was inaugurated last August by the Department of Army. Under the system begun in August, the Department of Army authorizes specific promotion quotas for each command every month.

Upon receipt of these quotas Headquarters Sixth Army allots promotions to subordinate commands to fill existing authorized vacancies in the grade and MOS specified in applicable T/O&E and/or TD.

The share a ride program is at present on somewhat of an experimental basis. The Post Safety Office intends to spot-check the areas from time to time to see if the program is accomplishing its intended purpose of dissuading weekend hitch hikers from congesting the highway around the gates here and at East Garrison.

Riders especially are urged to cooperate with the plan by making use of the share-a-ride stations instead of drifting out to the highway to thumb a ride.

### Awards Given At Div Arty Parade

Two officers and three enlisted men received awards at a recent Div Arty regimental parade.

The Purple Heart was given to SFC. Ronald J. Young, Capt. Milton L. Klotzbach received the Bronze Star.

Sgt. William C. Middleton, M/Sgt. Robert D. Erwell and First Lt. Erscenio A. Turqueza received Commendation Ribbons with metal pendant.

### Trophy Awarded To Sophomores In Paso Robles

Brigadier General Arthur S. Champeny, commanding general, 7th Armored Division, Camp Roberts Tuesday presented Bobby Gerbasi president of the sophomore Class of Paso Robles High School, with a trophy for the class efforts in contributing three (3) tons of clothing to the Korean clothing drive recently held at the camp.

A total of 12 tons was collected in all.

In presenting the trophy, General Champeny said, "It is a pleasure and an honor to be asked to make the presentation of a trophy for work done for Camp Roberts and for the benefit of the Korean people."

"Having been in Korea I know how destitute the people are, particularly in the matter of clothing."

"It is indeed a privilege to be allowed to present this trophy to the president of the sophomore class for their work in collecting clothing for the people of Korea."

The presentation of the trophy was made at a Paso Robles High School assembly. A special musical program was given under the direction of Private Earl Preston, and featuring his 95th Engineer A Capella Chorus.

### OFF-POST

## Additional Housing Near Roberts Now Available

Various types of housing are available off-Post for married personnel, according to Capt. Ted Capps, Post Housing Director.

Space is now available at the Camp Roberts Trailer Park and interested personnel are advised to make application at the housing office in Bldg. 3031.

### Polio Victim At Post Hospital

Little Jackie Lister, son of Sergeant First Class and Mrs. Cecil E. Lister, is presently undergoing physiotherapy treatments at the Station Hospital, Camp Roberts, for paralysis of the lower extremities due to poliomyelitis.

Jackie, who was born on July 2, 1947, at Topeka, Kansas, was stricken with polio on September 7, 1952, while living in Bradley, Calif. After spending 6 weeks at Letterman Army Hospital in San Francisco, he commenced his treatment at the physiotherapy ward at the station hospital, Camp Roberts. The lad is the only polio victim of 1952 at Camp Roberts.

His father is with Headquarters Company, Detachment 1, 6100 ASU.

The annual March of Dimes drive is presently underway at Camp Roberts. Major Frank Friedman, Comptroller's office, is the project officer.

Miniature iron lungs, depository canisters, are placed throughout the camp, as a reminder of the urgency and importance of the cause they represent.

### General Sink To Head Roberts

Brigadier General Robert S. Sink was named in Washington earlier this week as the new commanding general of Seventh Armored Division. He will report to Camp Roberts in mid-February.

General Sink is presently the assistant division commander of the Eleventh Airborne Division at Camp Campbell, Ky.

He replaces Major General Frank H. Partridge, who has already assumed his new post as the Deputy Commanding General of the Sixth Army, with headquarters at the Presidio of San Francisco.

Brigadier General Arthur S. Champeny is presently Commanding General at Camp Roberts.

### A WORTHY CAUSE

## Korean Clothing Drive Collects Twelve Tons

The drive to collect clothing for Korean civilians ended last week with approximately twelve tons or 160 bales collected. The drive included collections from the outlying communities as well as from personnel on the Post. The final wind-up of the drive was an all-Hollywood show put on by 20th Century Fox Studios last Saturday night at the Sports Arena. Admission to the show was by donating one article of clothing.

### New Hours For Post Nursery

New hours of operation for the Post Day Nursery are from 0730 to 1730 hours weekdays only in Bldg. 885, in the WAC Detachment area.

The weekly charge for each child is \$6.50, including a hot noon lunch. Children will be cared for on an occasional basis from 1230 to 1630 hours weekdays only. The charge is 25 cents per hour, minimum two hour service.

Night service is provided on Thursdays and Saturdays and alternate Wednesdays from 1930 to 2400 hours in the night nursery, Bldg. 889.

Rates are 25 cents for the first hour and 15 cents for each succeeding hour.

Children, ages 2 through 6, of military and civilian personnel connected with Camp Roberts are eligible.

Lt. Evelyn Bradley is the director. Mrs. Cynthia Field is the day supervisor, Mrs. Jean Chadwell the night supervisor and Mrs. Reva Borne, cook and assistant to the day supervisor.

### GENERAL EISENHOWER will be sworn in as President next Tuesday in Washington, D. C. He was born in Texas in 1890 and attended West Point from 1911 to 1915. During World War II, he rose to the rank of General of the Army and directed the Normandy landing on 6 Jun. 1944. In 1948 he became president of Columbia University. He was named Supreme Commander of NATO forces in Europe in 1950. He relinquished that post to become the Republican candidate for president.

### President-Elect Eisenhower

## All Services To Take Part In Inaugural

Washington, D.C.—Service personnel, nearly 20,000 strong led by a hand-picked group of 70 combat veterans, will take part in the Jan. 20 inauguration ceremonies.

Members of the Army, Navy, Air Force, Marines, and Coast Guard will participate.

May Gen. E. K. Wright, chairman of the Armed Forces Participation Subcommittee, said that the total will include 18,500 marching troops and 1,500 aboard the planes, helicopters, super-bombers and blimps which will fly over the parade route.

The 70 combat veterans were given a farewell review and wished "Goodspeed and a good trip" by Gen. James A. Van Fleet, 8th Army Commander, when they left Korea. All were due to be rotated within the next month even if they had not been selected.

On the lighter side of the celebration, the entertainment committee has promised the biggest entertainment show ever assembled. A partial list of the cast, reading like the "Who's Who" of show business, features such names as: Ethel Merman, Helen Hayes, Hoagy Carmichael, Fred Waring, Adolphe Menjou, Jeanette MacDonald, and Lily Pons.

### Survey Manpower Team At Roberts

A man power survey team from Sixth Army Headquarters, arrived here Tuesday, to study all phases of personnel operation at the camp.

Lieutenant Colonel James L. Osgard, chief of the survey team, Major C. Schweikert, Major Frederick A. Trumpf and Mr. Paul R. Cerf will investigate manpower requirements at the station, and upon conclusion of the investigation, will submit their recommendations as to proposed increase or decrease of existing personnel allotments.

Inductees who have not completed 20 months of active service upon arrival in the U.S. from Korea service will be reassigned in the U.S. until they have completed 21 months of service. The Army emphasized that this program applies only to inductees returning from Korean service in the U.S. under current rotation policies. Enlisted personnel of the Regular Army and of the Reserve components serving voluntarily are not affected.—AFPS.

## CHAPLAIN'S MESSAGE

### Great(er) Impersonation

By CHAPLAIN (1ST LT.) WILLIAM E. CALBERT

E. Phillips Oppenheim, "The Great Impersonation," has fascinated, over the years, the lovers of the mystery story. The reader, unless he be unusually acute, is held in suspense to the very end, wondering as to the true identities of the two main figures in the plot.

An even greater "cloak and dagger" mystery goes on daily and hourly in the minds and in the hearts of men—The Greater Impersonation. The figures that flit to and fro are: one, the True motives that direct the thoughts and the actions of man; and two, the Attributed motives for man's thought and actions. Almost never are the two figures recognized for what they really are.

Some would be tempted to call them twins saying that the attributed motive and the true motive are one and the same. Some would most often identify a particularly ungracious, or even vicious, act with an attributed motive lofty and elevated, pure and noble. Always, the two figures, True motive and Attributed motive, are with difficulty brought into the true light of day.

Detective agencies have developed certain set systems for the most consistent and accurate identification of persons, each identification being accomplished through the cataloguing and comparing of certain characteristics. There is, as well, a certain system for the cataloguing and identification of motives. It has its basis in certain moral principles—"To thine own self be true."

Has the motive reflected the highest and best—in knowledge, in capabilities—that was within us?

"Do unto others as you would have others do unto you." Has the first consideration been our own personal desire, or that for the welfare and well-being of those who work or live with us, for those dependent upon us? "Not my will but Thy will be done." Does the motive measure up against God, for, and in, the lives of men? "What does the Lord require of you but to do justice, and to love kindness, and to walk humbly with you God?"

How far have you gone in the discernment of motive?

### Civilians To Hold Get Acquainted Party

A "Get Acquainted Party" for all civilians on-post will be held Friday, 23 January at the Officers Club from 8 p.m. to midnight.

There will be no admission charge, according to Mr. Clifford P. Surrill, publicity chairman of the sponsoring Civilian Welfare Fund Council.

## HEALTH NOTES

### No Influenza Epidemic Here

For several weeks we have been discussing the respiratory disease, problem at Camp Roberts in this column. We are hoping to soon get on to some other topics of general information concerning our health. But, with the emphasis that has been placed here in addition to radio and news reports that have mentioned our Post, it is only natural that we would wonder just what the situation actually is in regards to the respiratory infections. So, let's look at the record and get the facts.

In the past few weeks during the time that we have had an increased influx of trainees, there has been a rather high admission rate to the hospital for cases of sore throat, common cold, bronchitis, and pneumonia.

The Army is vitally concerned over whether there has been cases of influenza among these individuals. Special laboratory tests are required to make an accurate diagnosis of influenza. And we have been conducting the necessary tests here to uncover cases of influenza if there are any present. The results are not yet known. It is very possible that there have been a few isolated cases of "flu" among the many individuals ill with colds and related respiratory infections. But, of this we are certain.

We do not have an epidemic of influenza at Camp Roberts at this time.

Our outbreak of respiratory diseases has shown signs of letting up this past week. And, if everyone will put into practice the practical steps we have previously mentioned in regards to personal hygiene and avoidance of unnecessary exposure, we can do much to further reduce the number sick from these infections.

It is true that elsewhere in the Army influenza has become a mild threat. The use of influenza vaccine for men going to Korea, however, is a safety measure and does not mean that an epidemic of "flu" exists.

These things are being mentioned now because we feel that facts are appreciated by one and all, and to know them will dispel any unnecessary apprehension that may exist. Furthermore, you can be assured that vigilance will be maintained on this problem so that should the situation change in the weeks ahead, preventive measures can be instituted aimed as always at safeguarding our health.

### New Auto Mechanics Course Started Here

An off duty auto mechanics class started last Monday in Bldg. 3027. Mr. John Sutton, of Post Ordnance, a mechanical technician, is the instructor.

The class will meet each Monday and Wednesday from 1900 to 2100 hours. The Education Center recently acquired cut-a-way models of engines, rear ends, transmissions and other auto parts for use in the class.

There is no charge for the course. Even though classes have already started, personnel can attend coming classes.

Further information may be obtained by calling extension 132 or seeing regimental T&E officers.

### Announce Reduction In Premium Rates

The VA announces a reduction in premium rates charged for total disability income rider on five year term National Service Life Insurance policies.

### CCB Company Wins Supply Award

BEST SUPPLY in CCB for December was Company C, 31st MTB. Holding the award are Col. Gordon C. Waters, (left) regimental commanding officer, and Cpl. Charles A. Hutchison, company supply sergeant. (Shannon Photo).

## Post Mess Award

SECOND LIEUTENANT Herbert H. James, CO of B of the 48th AIB, receives the Post's Monthly Mess Competition plaque and a handshake from Col. Irving Lehrfeld, chief of staff. Lt. James turned the plaque over to Cpl. Victor G. Permut, mess sergeant. (Shannon Photo).

## New Proficiency Test Devised At Roberts

A new type proficiency test has been devised at Camp Roberts and is presently in use in the instruction of basic infantry trainees. This test may more aptly be described as a teaching vehicle which emphasizes the most important points of instruction to be remembered by the trainees.

Always mindful of the division training motto "Learn Today-Live Tomorrow," instruction is presented by men who have had combat experience and know how to make the most practical application of military theory and weapons techniques. Lieutenant Dallas L. Shannon, Silver Star veteran of Korea, is the principal instructor in the test.

Tests are conducted on an individual plane where each trainee is required to perform certain actions outlined by the test in connection with any of the light and heavy infantry weapons under instruction.

This may be the setting up of the sight on the M-1 rifle, or initial preparation of any other weapon for firing. The trainee is then graded on his performance. His proficiency, as well as that of his fellow trainee, will determine the overall grade of the proficiency of his unit.

At the end of each station, or subject undergoing test, a brief critique is held to insure that the trainees understand any mistakes they may have made in carrying out their instructions.

At the conclusion of the six-hour problem, a final critique is held by the instructor. During this summary, experts from the division faculty perform correctly and with finesse the problems presented to the trainees emphasizing the points of primary importance.

The proficiency is the last class of instruction a basic infantry trainee receives at Camp Roberts. It is the culmination of all his training in infantry weapons techniques.

## Cash Awarded To Roberts Workers

Two civilian workers received cash awards this week for their time saving and money saving ideas.

Miss Betty Pierce, Signal Lab., received \$35 for developing a caption machine. It can do in ten minutes what it previously took an hour to do.

Thirty dollars and a suggestion certificate were given Mr. A. K. 'Bud' Ferry, Paso Robles.

He developed a set of prongs to fit over the feet of a fork-lift truck enabling a smaller fork-lift truck to be moved from one area to another in less time and with less expense than in the past.

At the end of each station, or subject undergoing test, a brief critique is held to insure that the trainees understand any mistakes they may have made in carrying out their instructions.

At the conclusion of the six-hour problem, a final critique is held by the instructor. During this summary, experts from the division faculty perform correctly and with finesse the problems presented to the trainees emphasizing the points of primary importance.

## Safety Men Meet On Post Today

A quarterly meeting of the Sixth Army Area Safety directors and safety officers will be held at Camp Roberts today.

Safety directors and representatives from Camp San Luis Obispo, Camp Roberts, Fort Ord and the U. S. Disciplinary Barracks at Lompoc will be present.

These safety conferences provide the opportunity for discussion of mutual safety problems and exchange of ideas for new or revised safety methods. New safety films, safetygraphs, video-graph lectures and other training aids will be made available to those in attendance.

Safety directors will be given information on the developments in all phases of safety by means of talks by outside experts. They will have the opportunity for group study and discussion of safety programs with relationship to operational procedures in developing practical safety recommendations which will contribute to the efficiency of production, transportation and material handling operations of the respective installations.

Raiders Ramble On; Navy Phib Pac And Pendelton Marines Defeated

Joseph Named Raiders' Coach

With the release of 1st Lt. Chuck Cluska from active service, the task of coaching the Camp Roberts Raiders...

Filling a player-coach slot on the Raider squad, Lt. Cluska has led the "fire engine five" through a fourteen game series...

Coaching the Raiders will be nothing new for Lou Joseph, who last year coached a red-hot Div-4 team through a tough season...

"Fire Engine Five" Takes Double Win Over Phib Pac

By SGT. WALLY CALVERT

First Victory

Paced by the sharpshooting of Jerry Pease and Bob Winkles, the Camp Roberts Raiders defeated the Navy Phib Pac of San Diego 89-72...

Center Jerry Pease, who formerly played for the University of Southern California, grabbed top honors for the Raiders by scoring 19 points.

Close behind in the parade to the basket was hustling guard Bob Winkles, who hit for 16.

The Raiders, fondly known as the "Fire Engine Five," started out like they were headed for a five fire alarm blaze as they piled up a 27-14 first quarter lead.

With a starting quintet of Jim Loscutt, Chuck Cluska, Pease, Winkles, and Jerry Romney, the Raiders played superb ball, controlling the backboards and shooting only when there was a clean shot.

Coach Lou Joseph, substituting regularly, saw his team's lead increased in the second quarter as the Raiders scored 22 points, exactly twice as many as the Navy could rack up...

In the third quarter the Navy hoisted anchor and came within four points of the local five. Led by high scoring Osburn, who had a night's total of 25, the Phib Pac team came into their own and narrowed the Raiders' lead to 60-56...

In the fourth and final stanza, the Raiders regained their championship form, and slowed the Navy club down to a walk, by hitting for 29 points to the Phib Pac's 16, cinching the victory.

It was clearly a team win for the victors, as they used sixteen men in their second win over this Navy team to one defeat.

A large crowd including Brigadier General and Mrs. Arthur S. Champeny was on hand to cheer the Raiders to victory.

Second Victory

Scoring their second victory in as many days, the Camp Roberts Raiders notched their third straight win over a strong Navy Phib Pac Team Friday night, 83-76.

The Raiders beat the Phib Pac five Thursday, 89-72, and previously had defeated them in San Diego, 76-66. The Phib Pac quintet holds one victory over the Raiders beating them 84-75, in the first game played in the four game series between the teams.

The game played Friday night was a nip and tuck battle all the way, but the "Fire Engine Five" never lost the lead.

For the Raiders, eleven men got into the scoring column, with guards Stan Albeck and Bob Winkles heading the list with 14 and 13 points respectively. Close behind the leaders came forward Jerry Freeman who hit for 12, and center Jerry Pease who bucketed 11.

It was the final appearance in a Raider uniform for player-coach Lt. Chuck Cluska. The former UCLA star turned the coaching reins over to Lou Joseph. Cluska was released from active duty shortly before game time.

Getting off to a quick lead by virtue of three field goals by guard Bob Winkles, the Raiders never were headed, and led by 9 points at the end of the first quarter.

The Navy team, led by Osburn and Craig who each dropped in 16 points, tried gamely to narrow the gap, but every time they got hot the "Fire Engine Five" was at the scene to put out the fire.

The Raiders led at half-time, 47-39.

Raiders Set For Dukes Rematch

On Wednesday, 21 January, the Camp Roberts Raiders are scheduled to tangle with the Santa Maria Dukes on the Dukes home court for the fourth clash between the two teams.

The Raiders handed the Dukes a 96 to 87 defeat when the two teams had their first tilt this season. In a later game, the blue-blood five toppled the Raiders from the ranks of the undefeated as they scored an 81-69 revenge victory over the Raiders.

The third and most exciting encounter the two teams have had ended with a 94-91 victory for the Dukes as they barely pulled away from a 74-74 tie score late in the fourth quarter.

This game is the final meet the Raiders will have with the Duke's this season. This duel will see the Raiders out to write defeat in the record books of the royal house. The tilt promises to be nothing short of a mild war.

Schedule Pistol Team Try Outs

Sixth Army will select up to four officers or enlisted men to try out for the US Army Pistol Team. These men will in turn represent the Army at the National Mid-Winter Pistol Matches, 10-14 March, at Tampa, Florida.

Starting 8 February, a training phase will be conducted at Fort Benning Georgia. Approximately 40 per cent of the completing marksmen will be eliminated by competition on 21 February. Further eliminations will be held on 7 March.

Nominations will be submitted by 19 January from all Class I installations and activity commanders.

WOJG Francis Fennessey, Fort Ord, has been specifically requested by Army Field Forces to participate in the competition, if available.

When finally selected, the candidates will travel on TDY to Fort Benning, and if selected for the final squad they will go on to Tampa for the National Matches.

Seayin' Sports

With JIM SEAY (Parade Sports Editor)

THE OUTLOOK for the remainder of the basketball season is rather grim in regard to available opponents, as the Air Force teams which cancelled out, left a pretty big hole in the Raiders' game schedule.

From the way the Raiders continue winning games it's no wonder that no one wants to take the court against them. So far they've racked up an impressive win record of 19 wins and 5 losses.

The latest in the cancellation bracket is the Olympic Club, and chances are there'll be more as the winning season progresses.

SEEMED LIKE old times to see the General's chair occupied at game time. General Partridge was an avid fan of the Roberts Raiders, and it looks like General Champeny is just as fond of the best service team in the country.

COACH LOU JOSEPH takes over the reins of the Raiders from the hands of Chuck Cluska, who is now teaching school at Santa Maria. Chuck is on the road a lot with the Santa Maria Dukes, and is one of their top scorers.

Lou Joseph started his Div-4 team all the way to the Sixth Army and World Wide All Army championships, and from the way he is coaching the Raiders at the present time it looks like another championship team is in the offing.

Roberts Boxers Win Card At San Luis Obispo Show

Camp Roberts boxers made a terrific showing last Thursday evening when they waded through a seven-bout card against Camp San Luis Obispo sluggers, and wound up the program with four wins and one draw for a 4 1/2-2 1/2 victory over a group of tough opponents.

Well known Roberts middleweight, Bob "Boom-Boom" Bolden, and his opponent, Jerry Sausman of Camp San Luis Obispo exchanged punches through what was probably the best match of the evening.

Bolden won the match on a decision.

The draw occurred in the final fight of the night when Camp San Luis Obispo's 147-pound John Aipa stepped in to battle Roberts Sixth Army champ, Sammy La-Cross. After the end of a wicked slug-fest, the judges and referee called the match a draw.

Mac DeWater, in keeping with the style that is bringing him much recognition in this area, completely outclassed his opponent, Orville Hern, who did well to last out all three rounds of the bout.

Camp San Luis had its first

win of the evening when Darrel Trentham took a very close decision from Camp Roberts Jerry Weinzell.

The only clean knock-out of the match went to Roberts hard punching Jerry Jensen, who kayoed Don Howard after one minute, and 22 seconds of the final round.

Otis Bell started the match off in Roberts favor when he TKO'd J. Russell of Camp San Luis Obispo in 30 seconds of round two.

In the sixth bout of the evening, Camp Roberts' Benton Fortenberry, whose scheduled opponent failed to appear accepted a match with LeRoy Dews, 200-pound Camp San Luis Obispo fighter. The bout was declared a mis-match and called at the end of the first round.

One of Roberts best known fighters, Eli Thomas, fighting in the 175-pound bracket failed to draw an opponent for the card which originally had been scheduled to include eight bouts.

Proceeds from the benefit bouts went to the Nuss Memorial Swimming Pool Fund. The two teams are scheduled to meet again at the Camp Roberts Sports Arena on Thursday, January 15, at 8 p.m.

Ski Club Meets

The Camp Roberts Ski Club holds meetings every Tuesday at 1930 hours in Bldg. 507, the CCB I&E room.

Further information may be obtained by calling extension 560.

From 2 January to 4 January, members of club enjoyed excellent skiing conditions at Yosemite National Park.

Sports Arena a power packed squad of fighters including: Jerry Sausman, who made a fine show against "Boom-Boom" Bolden when the teams last battled, and LeRoy Dews, an experienced heavyweight with a lot of boxing know-how.

Also on the Camp San Luis Obispo roster will be Darrel Trentham, Jasper Russell, Blackshire, and Kostich.

One of Camp San Luis Obispo's main-stays, Johnny Aipa, 147-pound Camp Roberts star will probably be getting this one out as the Camp San Luis Obispo roster fails to list an opponent for him tonight.

The first National Hockey League game was played in 1917.

Smoker Tonight Features Return Go With San Luis

Boxers from Camp San Luis Obispo will invade the Sports Arena tonight with revenge in their hearts as they step up to tangle with the ring-kings of the Post of Champions, Camp Roberts.

Tonight's card will be the third meeting between the two teams. The teams first battled last October and the Roberts mittmen scored out five wins for a clean sweep of a five-bout card.

In their second meeting on Jan. 14 at the Veterans War Memorial Building in San Luis Obispo, Camp Roberts sluggers ran into more determined troupe of Camp San Luis Obispo leather slingers, but in keeping with their reputation, Roberts scored four victories to Camp San Luis Obispo's two, and had one match end

in a draw. This third match between the two clubs should prove to be nothing short of wicked, especially after the show Camp San Luis Obispo made at the last meeting.

Out to defend the Camp Roberts laurels will be Bob "Boom-Boom" Bolden, a veteran in both previous battles with Camp San Luis Obispo and winner of both his bouts, and Sammy La-Cross, also a veteran of both battles with a record of one win and one draw from the previous tilts.

On hand to complement the card of Camp Roberts will be: Mac DeWater, Jerry Weinzell, Jerry Jensen, and Benton Fortenberry.

The invading Camp San Luis Obispo team will bring to the

Sixth Army Hosts All Army Golf Tourney This Year

The Sixth Army will be host this year to the All-Army Golf Tournament to be held 27-31 July, 1953, according to the schedule of the All-Army Sports Program just released from Washington.

Following is the complete list of All-Army championships and where they will be conducted: Boxing - Fifth Army, 24-28 March; Basketball - Second Army, 7-11 April; Tennis - First Army, 25-29 August; Softball - Military District of Washington, 5-10 October; Baseball - Fourth Army, 7-12 September; Track and Field - Third Army, 12-13 June.

According to the circular, squads representing major commands in All-Army championships will be limited to the following number of personnel, including the team officials: boxing-13; basketball-12; golf-8; tennis-6; softball-15; baseball-18; and track and field-15.

Entrants in the All-Army boxing, tennis, track and field, and golf will be selected on an individual basis from within major commands.

Basketball, baseball, and softball All-Army championships will be played on installation, regimental, and group basis.

Host commanders will furnish complete information concerning time and location of all events at a later date.

The first ice hockey league game on record in this country was between the Brooklyn Skating Club and the St. Nicolas Skating Club in New York in 1898.

# Hollywood Show Scores Success At Sports Arena

## Movie Stars Perform In Drive For Clothing

Many stars of the film world took part in a huge stage show at the Sports Arena last Saturday night in the final day of the Korean Clothing Drive.

The show was put on in order to add to the many articles of clothing that already had been turned in by military personnel and by the people of surrounding communities.

## Lucky 7th Club Seeks Talent

The Lucky Seventh Service Club is in search of talent. Under the auspices of the Lucky Seventh Service Club, Special Services is preparing a bill of entertainment which will be sent to Ft. Ord to stage a show there the latter part of this month.

As a means whereby they can determine who will be members of the Camp Roberts crew of entertainers which will make the trip. The Lucky Seventh Service Club is conducting a talent show every Sunday evening to seek out the best talent drifting about Camp Roberts.

Aside from the fact that those picked will have the opportunity to make an enjoyable trip, the first, second and third place winners of each Sunday evening's festivities will be awarded special prizes.

Another Lucky Seventh Service Club entertainment feature is the bingo session on Thursday evening. Prizes ranging in value from \$10 to \$15 are awarded at each of these sessions. Lucky Seventh Club personnel say that there is room for a lot more people at these events and that the prizes are plentiful.

## Did You Know?

The Universal Postal Union celebrated its 75th anniversary in 1949. Many countries issued special stamps to honor the occasion. The latest to do so is Uruguay.

Heading the list of stars who took part was lovely Merry Anders, who just completed a picture with Betty Grable called the "Farmer Takes A Wife." This beautiful star sang and danced her way into the hearts of the large crowd attending.

One of the favorite acts of the audience was the dancing team of Betty and Boyd. This duo did a wide variety of numbers from comedy to Apache dancing. Leading the western part of the show were "Smiley and Cindy Lou." Besides doing some wonderful hillbilly numbers on the guitar, they did an outstanding initiation of the "Inkspots."

Another western entertainer who was very popular was Bonnie Lee. Her unusual style on a song caused the audience to call her back for several encores.

Backing up the show were the "Rythmaires," under the very able direction of Virgil Murray. Besides accompanying the dancers and the vocalists, the group did some very good solo numbers.

## Craft Shop Open For Personnel

The Post craft shop reopened last Friday with a complete assortment of tools, both power and hand operated. The shop is located near Theater No. 2.

A qualified crafts instructor is on hand to assist or advise personnel. Materials may be purchased through the instructor.

The shop is open week days, except Tuesday, from 1800 to 2000 hours. On Saturdays and Sundays, the hours are from 1300 to 2200 hours. Further information may be obtained by phoning extension 639 after 1300 hours any day except Tuesdays.

Man on phone: "Doc, my kid swallowed a fountainpen. What shall I do till you get here?" Doctor: "Use a pencil."

"How many soldiers work in your office?" "About half of them."

Many a man has made a monkey out of himself by grabbing the wrong limb.

Blind man: "Ain't you got two singles, buddy? These two-dollar bills are bad luck."

Sgt.: "How do you know it's a two-dollar bill, if you're blind?" Blind man: "Oh, I ain't blind. My partner is. It's his day off and he went to the movies. Me, I'm a deaf-mute."

Wife: "I was a fool when I married you." Hubby: "I guess so, but I was too infatuated to notice."

"How come you didn't laugh when the CO told that story?" "I didn't have to. I've been transferred."

## Make-Believe Dream

THE FLIMSY white dress, dark shades of lighting, alluring pose, and starry-eyed look of Anne Francis has all the ingredients to give this cheesecake photo an atmosphere of glamour and make-believe. It is with a good deal of sincere regret, therefore, that we must announce that this blue-eyed, ash-blond beauty was married last year. We've forgotten the lucky man's name—probably on purpose.

## "Stars In 20th Century Revue"

THE NAME OF this lovely Hollywood starlet escaped our cameraman, but her beautiful voice and sweet smile brought much applause at the "20th Century Revue" Saturday night at the Sports Arena. Miss Anonymous is not only a talented singer but also a good dancer with a nice way of pouring on the charm as the picture clearly reveals. (Signal Photo).

## Liars' Contest At Service Clubs

"There I was, ten thousand feet in the air and no parachute, so I turned to my co-pilot and says"—So the old story goes.

There are little liars, middle sized liars, and great big old liars. Just how good a liar are you? If you think you're a pretty good spinner of tall tales or believe that you possess over-average ability for "throwing the bull," you'll have your chance to prove it soon.

At 2000 hours, on Friday, January 16, The Lucky 7th Service Club and the Circus Room are going to conduct a "Biggest Liar Contest." They anticipate a packed house!

The contest is for enlisted men and women only. Audience applause will determine who the great I AM will be. Whoever walks away saying, "I am the biggest liar at Camp Roberts," should say it with a smile on his or her face, for the champ will not only receive a prize after the show, but will also receive the opportunity to represent Camp Roberts over Ralph Edward's radio show, "Truth or Consequences" which is broadcast weekly over NBC.

Should the lucky liar come out on top of the "Truth or Consequences" contest in Hollywood, he or she will receive a \$50 war bond with a chance to appear the following week on the show and a crack at another \$50 first prize. The show is set up to allow the winner the possibility of totalling up an amount of \$500 should he win all of the scheduled liars' contest over NBC. Even the losers win on the Edward's program, for they are awarded a \$25 bond.

Don't forget the time—8 p.m., Friday. Don't forget the place—the Lucky 7th Club, formerly Service Club No. 1. Come one, come all, it should be a ball—and that's no lie.

## Here's The Top Ten On The List

By CPL. JAMES RHODES

Let's relax with wax from some of the better sounds generated by the top recording artists this week. SOLO FLIGHTS

Not too long ago a lean, near-deaf, country boy with a sob in his tonsils came up with a three letter word set to music. The word was "Cry" and the boy's name was Johnnie Ray. Columbia waxed a few more of his musical gyrations but somehow Ray went a-stray. Watch for a new hit for Mr. Emotion when his, "I'M GONNA WALK AND TALK WITH MY LORD" hits the stands. WITHMY LORD" hits the stands. Teresa Brewer's "TILL I WALTZ AGAIN WITH YOU" for Coral has bounce and good phrasing. This may be a big one for T. B.

An unusual label for a mood set to music is "STUDIO ONE CONCERTO" by Art Lowry and his orchestra. Nice work on the upright and a theme conjured up a dream. This one will appeal to a certain clique. Make a dash for a dot, Dot Records that is, and catch the latest by the Hilltoppers, featuring the Voice of Jimmy Saca, "MUST I CRY—AGAIN." It's new, it's unusual, and it's good.

Ralph Marterie, Mercury corporation, "AFTER MIDNIGHT," smooth, easy, great style, "nuff said." Wynonie Harris warbles about his "BAD NEWS BABY" (KING) on his new release that is a rocker. Real fine combo backing on this flip adds to its tilting lilt. ALBUMS

A new release by RCA Victor of some old music is "THIS IS ARTIE SHAW AND HIS GRAMERCY FIVE." Somehow old music of this nature seems always fresh and original. A few of the gems from this album are, "MY BLUE HEAVEN," "CROSS YOUR HEART" and "DR. LIVINGSTON, I PRESUME."

Oh to be in Paris, now that April's there. Gah, what a hammy way to introduce "APRIL IN PARIS" as sung by Doris Day for Columbia. You'll never get me to do that again.

### TOP TEN ON TOTEM

- ME?—Joni James.
- DON'T LET THE STARS GET IN YOUR EYES—Perry Como.
- GLOW WORM—Mills Brothers.
- KEEP IT A SECRET—Jo Stafford.
- BECAUSE YOU'RE MINE—Mario Lanza.
- LADY OF SPAIN—T. Fisher.
- TILL I WALTZ AGAIN WITH YOU—T. Brewer.
- I WENT TO YOUR WEDDING—P. Page.
- IT'S IN THE BOOK—J. Standley.
- RECORD OF THE WEEK—"BLUE VIOLINS" by Hugo Winther and his Orch. is slated to sooth the static on the airwaves this Saturday. Cpl. Tony DiMarco, on Camp Roberts on Parade 1500 hrs. through the courtesy of KPRL is doing the honors. Listen in.

## Gamble With Play Money Saturday

Another popular Monte Carlo Night will be held Saturday at the Lucky Seventh Club (Service Club No. 1) starting at 1730 hours.

Participants will be given \$190 in play money with which to play black jack, poker, chuck-a-luck, roulette and other games of chance.

At the evening's end, prizes will be auctioned off for the play money.

## Schedule Tuesday Chess Tournament

A chess tourney will get underway at the Lucky Seventh Club (Service Club No. 1) Tuesday beginning at 8 p. m.

No registration is necessary, but all personnel interested in participating should be present prior to the 8 p. m. starting time.

## Time Changed

"Camp Roberts on Parade," Camp Roberts weekly radio program will be heard over KPRL at 1500 hours Saturday starting this Saturday. The program was formerly heard at 1200 hours. Corporal Tony DiMarco, chief of the PIO Radio Section is in charge of the show.

HOLLYWOOD DANCING DUET, Betty and Boyd, put a lot of zest in their renditions Saturday night at the Sports Arena to help make the "20th Century Revue" an entertainment success at Camp Roberts. Shown above, the two are going through the antics of their "old-timer" number which went over with a bang. (Signal Photo).

## Time Honored Gags In Cerf's New Book

Feel the need for a good laugh?

The post libraries have some new books on humor which are guaranteed to draw a chuckle.

First of all, there's GOOD FOR A LAUGH by Bennett Cerf, which of course is another collection of his incomparable anecdotes. This time, the stories are arranged alphabetically from "A" for "Armed Forces" to "W, X, Y, Z" for "Women." Under the heading, he tells time-honored gags revived from two World Wars, such as that of the young man in Tallahassee who claimed exception on the grounds of defective eyesight, bringing his wife along as evidence.

Then there is "BEST HUMOR ANNUAL", edited by Louis Untermeyer and Ralph Sikes. The contributions include fiction pieces from some of the most popular magazines such as Collier's and New Yorker, and from newspaper columns.

Stories are by such humorists as Max Shulman, Al Capp, P. G. Wodehouse, John (Wanna buy a duck?) Crosby, Will Cuppy, and S. J. Perelman. Speaking of S. J. Perelman, if you're a fan of his, don't miss his new "ILL-TEMPERED CLAVICHORD." If his satirical type of debunking amuses you, you will relish his embalmment of Fleur Fenton Cowles in "The Hand That Rocks the Cradle" of Louella Parsons in "Nirvana Small by a Waterfall" and of Tarzan in "Rock-a-bye, Viscount in the Treetop".

SMITH'S LONDON JOURNAL, by H. Allen Smith, is a record, in diary form, of Mr. Smith's sojourn in London, from August 23 to October 9, 1951, as a seeker after refinement and culture. In the pattern of Mark Twain, Mr. Smith finds himself "an innocent abroad." He is bewildered by the

"Remember," said the Provost Marshal, "anything you say will be held against you."

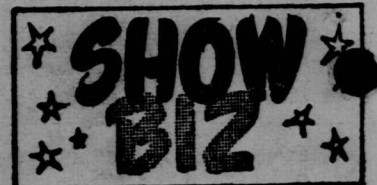

Pvt.: "Marilyn Monroe. Marilyn Monroe, Marilyn Monroe."

A third "Willie and Joe" picture has been temporarily shelved by Universal-International. In this one, the two Bill Mauldin characters were to be in the Navy. David Wayne and Harvey Lembeck, first and second "Joe" respectively, are busy elsewhere and Tom Ewell, who was Willie in both pictures, just opened in a smash hit Broadway play but will be available late in 1953.

Two sons of famous persons are currently wearing Air Force blues at overseas stations. Mary Martin's son is stationed in England with the 3rd Air Force, and Dan Parker, sports editor of the N. Y. MIRROR, has a son at USAF Hq. in Wiesbaden, Germany. Veteran actor Chester Morris recently welcomed his son, an AF pilot, back from a tour in Korea.

currency, the language, and the strange table manners of the natives, though he perceives the folly of the monarchy and the absurdity of most prevailing customs.

Or if you don't feel like reading, and would rather just look at pictures you will find cartoon books of all kinds in your post libraries.

Radio's "Amos'n Andy"—Freeman Gosden and Charles Correll—now have passed their 25th radio year and 10,000th broadcast, and claim they are seriously thinking of retiring next spring when their contract runs out.

The modest pair say there is no truth to the story that the first program Marconi heard on his wireless was the "Amos'n Andy" show. Mario Lanza, the object of quite a bit of sorrowful publicity in the last few months due to his fits of "tem-

permanence," finally has something to smile about—his wife has just given birth to a six-pound bambino. During the war Mario was an MP in the Army Air Force. . . . Television Comes of Age Dept.: Says columnist Sid Sholsky of the TV Hit Parade—"movie cameramen can learn from it. . . ." Ben Hecht, Pulitzer Prize and Academy Award winning playwright has been signed by CBS-TV to create a new weekly series of originals for presentation over that network—"Ben Hecht, Private Eye?" . . .
