Boy! is it good to get  
a letter from you. I lost  
your address & couldn't find  
it or remember your address.  
Well I'm glad you've got a  
good job where you are. I do  
know you up at the front.  
As you can see I'm in  
the 7th Army Div. and I  
suppose the boys are well.  
It feels good to get in an  
out post instead of being  
a replacement.

Dad sent me some pictures
