AND QMC FORM R-5066, WHICH ARE OBSOLETE.

EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.
2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.
4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below.
2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Sir:

This letter is directed on behalf of Mrs. Marguerite Bailey, widow of the above named deceased serviceman, relative to change of address. At the time of the serviceman's death, Mrs. Bailey was residing at 1516 Chapel Street, Dayton, Ohio. Her current address is P. O. Box 94, Jane Lew, West Virginia. This information was previously submitted to Chief of Graves Registration Service on June 3, 1946.

The anxiety on the part of the next of kin is easily understood due to the wide publicity advising the Henri Chapelle Cemetery was to be among the first evacuated.

It will be greatly appreciated if the necessary pamphlets and "Request for Disposition" form are forwarded to Mrs. Bailey at her current address.

Dear Mrs. Bailey:

The attached letter in the enclosed envelope has been received in this office.

The communication is self-explanatory. Nothing is known by this office as to the writer and, accordingly, it is not felt that your name and address as the next of kin should be given unless you desire it.

While it is possible that the letter has been written in perfectly good faith, there have been some cases in other localities where similar persons have imposed upon or become a nuisance to the next of kin. Therefore, as indicated, the letter is being forwarded to you for such action as you desire.

Dear Mr. Bailey:

An inquiry in your behalf has been received from Mr. Robert B. Moran, Deputy Director, West Virginia Department of Veterans Affairs, Clarksburg, West Virginia, concerning your son, the late Technician Fifth Grade Wildon R. Bailey.

The War Department has now been authorized to remove, at Government expense, to the final resting place designated by the next of kin, the remains of those American citizens who died while serving overseas with our armed forces during this war.

When the necessary preliminaries have been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be sent to the next of kin of those deceased American citizens. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of the next of kin's detailed desires. It will not be necessary, therefore, for them to communicate with this office regarding this subject.

The necessity for complete coordination of movement in many parts of the world makes it impossible, at this time, to estimate when these forms will be mailed. Responses to them will be acted upon with a minimum of delay.

Please be assured that your feelings in this matter are fully appreciated.
