Mr. and Mrs. Joseph Krepela
71-17 Calamus Avenue
Woodside, Long Island, New York

Dear Mr. and Mrs. Krepela:

Several years have elapsed since the cessation of hostilities of World War II, which cost the life of your son, the late Corporal Jerry J. Krepela.

It is with deep regret that your Government finds it necessary to inform you that further search and investigation have failed to reveal the whereabouts of your son's remains. Since all efforts to recover and/or identify his remains have failed, it has been necessary to declare that his remains are not recoverable.

Realizing the extent of your great loss, it is with reluctance that you are sent the information that there is no grave at which to pay homage. May the knowledge of your son's honorable service to his country be a source of sustaining comfort to you.

Sincerely yours,

JAMES B. CLEARWATER

SUBJECT: Non Recoverable Remains

TO: Non Recoverable Board, AGRC

1. It is recommended that the Board take Action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing in Action or Killed in Action during ground or air operations in the department of Moselle, France, from the period 5 September 1944 to 16 March 1945. Extensive area searches as well as individual investigation have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of Moselle have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Moselle department, for the most part, consists of farm, pasture and forested areas which has been under constant cultivation and supervision by farmers and forest guards, since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide

GROP 293.9

SUBJECT: Non Recoverable Remains

evidence and the lack of association with recovered unknowns would tend to substantiate these conclusions. It is recommended that the remains of the individuals listed in these Board Proceedings be considered Non-Recoverable under the provisions of paragraph 3b, Letter, Office of The Quartermaster General, file QMGMP 293, Subject: Processing Board Findings of Non-Recoverability Return of World War II Dead Program, dated 25 March 1949.

Reference is made to: OQMG Forms 371; After Action Reports, and Casualty Clearance Plan; concerning each decedent; Reports of Field Investigations previously forwarded to The Office of The Quartermaster General, pertaining to resolved casualties who were killed in action in the Department of Moselle, France; on file in the Office of The Quartermaster General, Washington, D. C.

Reference is also made to: Report of Field Investigation, dated 10 July 1950: Attached.

2. All attached supporting documents are copied from records on file this headquarters.

3. It is recommended that the remains, based upon the above information and research, be declared non-recoverable.
