## MEMORANDUM FOR RECORD:

SUBJECT: Review of Circumstances Surrounding the Disappearance of Personnel Presumed Dead.

1. The following-named enlisted men of Company K, 320th Infantry, were reported missing in action on 13 August 1944, by the source given after each name:

<i>293</i>	Pfc	<i>293</i> McDonald, Lawrence L.	36715924	EFO No. 173
	Pvt	Sieber, Frederick J.	32803847	EFO No. 293

Pvt Sieber was initially reported slightly wounded in action on 13 August 1944 and his status was subsequently changed as above by the Shipment number shown and by Casualty Branch Message Number 006014.

2. Findings of Death were made in the cases of the above-named persons, under the provisions of Section 5, Missing Persons Act, by S.R. & D. No. 3848, showing the presumed date of death as 14 August 1945.

3. Pfc McDonald's AG 201 file contains a "Missing Report", dated 4 October 1944, by the Company Commander, 1st Lt Homer W. Kurtz, which states that the company was engaged in a mission to secure high ground northeast of Mortain, France on 13 August 1944. The third battalion attacked northeast of Mortain with company K in the lead and the first platoon plus machine gun sections as advance guard. Pfc McDonald was last seen about one and one-half miles northeast of Mortain, when his platoon was surrounded.

4. a. Pvt Sieber's AG 201 file contains a first indorsement from the Regimental Commander to the Commanding General, 35th Division, dated 16 January 1945, which states that Pvt Sieber was originally reported slightly wounded in action on 13 August 1944 in the vicinity of Mortain, France and that the report was later changed to missing in action on the same date when no reports were received indicating that he ever entered the aid station or any other medical units. His company was actively engaged in combat with the enemy at Mortain on 13 August 1944.

b. In an undated report found in the same source, the Company commander states that Pvt Sieber participated in an attack on the village of Mortain on this date. Members of the organization were questioned but no one had any information other than that he was missing in action.

5. Mortain is located approximately 35 miles southeast of St. Lo in northwestern France.

6. Subject enlisted men were awarded the Combat Infantry Badge by Circular 151, WD 1945.

7. An approved recommendation that the remains of subject men be declared non-recoverable is based on the fact that every effort was made to correlate this case with records pertaining to unknown deceased interred in U.S. Military Cemeteries and reported isolated burials, with negative results. The report contains a copy of a first indorsement, dated 23 November 1948, by the HQ 7856 AGRC Zone #2 to the Commanding General, American Graves Registration Command which reveals that searching operations in the Mortain area have been completed and no trace has been found of a remains which might be identified as those of Pvt Sieber; that files indicate that one of the following three unknowns may be associated with Pvt Sieber: X-40 and X-54, Garron and X-154, Marigny.

8. The above-named men participated in a mission to secure and hold high ground northeast of Mortain, France on 13 August 1944. In the ensuing battle, Pvt Sieber was reported slightly wounded. However, the company was cut off and surrounded by the enemy and upon their withdrawal the two men were listed as missing in action. Field investigation in the Mortain area revealed no trace of remains which might be identified as those subject men. Although it appears plausible that subject soldiers were killed in the action in which they were reported missing, no evidence exists to justify a conclusion to this effect, since there is a possibility of capture by the enemy. In view of the above, it is considered that insufficient information is available to justify the issuance of official reports of death in the cases of the subject men, pursuant to the provisions of Section 9 of the Missing Persons Act.

1. It is recommended that the board take action on the following case:

NAMES: MC DONALD, Lawrence L., Pfc., 36 715 924  
 SIEBER, Frederick J., Pvt., 32 803 847

ORGANIZATION: Co "K" 320th Inf., 35th Inf. Division.

DATE OF DEATH: 13 August 1944.

PLACE OF DEATH: Vicinity of Mortain/Manche, France.

SYNOPSIS OF CASE: The above were on a mission to secure and hold high ground northeast of Mortain, France, on 13 August 1944. In the ensuing battle with the enemy, Private Sieber was reported slightly wounded in action. However, this company was cut off and surrounded by the enemy and upon their withdrawal the two men were listed as missing in action. Members of their organization have been questioned but there is no information available relative to their disappearance. Field investigation in the Mortain area revealed no trace of remains which might have been identified as subject deceased. Unknowns submitted by Field Command have been declared unidentifiable. It is believed that all isolated graves known to the inhabitants of Mortain and surrounding area have been investigated with negative results.

Reference is made to OQMG Forms 371 (two men); First Indorsement, Zone 2, dtd 23 Nov 48.

2. All attached supporting documents are copied from records in file headquarters American Graves Registration Command.
