1. IDENTIFICATION, PREPARATION OF BODY, BURIAL AND MARKINGS OF GRAVES OF ISOLATED BURIALS. Have body examined to establish IDENTITY. If body is unidentified, take four (4) sets of fingerprints of all available fingers. Complete the following:

ESTIMATED HEIGHT	ESTIMATED WEIGHT	COLOR OF EYES	COLOR OF HAIR
BIRTHMARKS, SCARS, OR TATTOOS			
LAUNDRY MARKS		WEAPON AND SERIAL No.	

(If actual weight and height are used, delete estimated)

Wrap and tie body securely in a blanket, pad covering, canvas or other suitable substance. Dig grave to five feet or in hasty burials, to sufficient depth to prevent destruction of body or loss of identity. Place only one body in grave. Securely fasten one identification tag to body. Remove other identification tag and attach to grave marker (when body is disinterred or properly recorded, remove and forward to BuPers, Marine Corps, or Coast Guard, as indicated). If no tag is present, make a notation with pencil of identifying data on form in duplicate, place in bottle, canteen, spent shell or other available container which can be made watertight, bury one with remains and the other, one (1) foot below grave marker. If no tag is available, write identifying data on marker. When pegs are not available, use other suitable means to identify grave as a military grave.

2. LOCATION OF GRAVE: Report burials in established cemeteries by plot, row, and grave number. For all other burials, prepare sketch in space provided below; and give location by means of map references, or by reference to prominent, permanent landmarks. Information must be specific, accurate, complete. Stand at foot of grave facing head to determine bodies buried to the left and right.

If the body is otherwise unidentified or fingerprints unobtainable, chart the dental conditions in conformity with Instructions in MMD (1942, 1938-43 Ed. para. 2318 (b) (1) & (2))(1945 Ed. para. 2234.1 & .2). This must be accurate.

CHARTING EXAMPLE: (Chart Cavities in BLACK; otherwise use RED)  
Tooth No. 1, missing; No. 2, gold inlay and two silver fillings; No. 3, full gold crown; No. 4, cavity; No. 5, two porcelain or temporary fillings; Nos. 6, 7, 8, gold fixed bridge supplying missing tooth No. 7; No. 9, porcelain crown (outlined).
