ATTN: AGRS, PHILCOM ZONE

1. Reference is made to Proceedings of your Board of Review, dated 25 March 1949, recommending the following identifications:

X-4681, AGRS Mausoleum, Manila, P.I., (formerly X-649, USAF Cemetery Manila #2, P.I.) as Pvt. Paul E. Johnston, 13 011 328.

2. After a thorough analysis of this case, it has been considered that the evidence presented is insufficient to establish identification. The dental comparison between X-4681 and Pvt. Paul E. Johnston is inconclusive. Dental charts for Unknowns X-4682, X-4427 and X-4683, recovered in the same locality, also compare favorably with the Army dental records for Pvt. Johnston.

3. Board Proceedings have been disapproved for the reasons outlined above and are returned herewith.
