Provided by Jess Harris, son of C/23 AIB veteran Henry Harris

Transcribed by Wesley Johnston, Historian of the 7th Armored Division Association and son of 1/AT/B/38 AIB veteran Walter Johnston

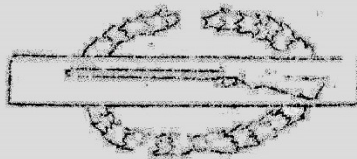

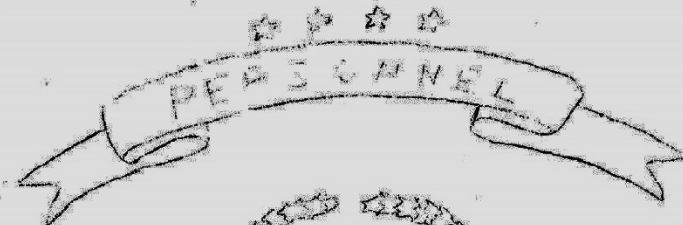

Following the end of combat in Europe, which ended on VE-Day, May 8, 1945, Company “C” of 23rd Armored Infantry Battalion of 7th Armored Division published a mimeographed personnel list. While the list was mostly in alphabetical order, there were errors in the order (as well as some obvious errors in the spelling of place names). The names have been put into correct alphabetical order below, with headings and borders added to the tabular format.

For any questions about the spelling or order or any other aspects of the document, see the image of the original document at www.7tharmdiv.org/docrep/X-23C-Post-combat-roster.pdf
