SUBJECT: Non Recoverable Remains

TO: Non Recoverable Board, AGRC

1. It is recommended that the Board take Action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing in Action or Killed in Action during ground or air operations in the department of Moselle, France, from the period 5 September 1944 to 16 March 1945. Extensive area searches as well as individual investigation have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of Moselle have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Moselle department, for the most part, consists of farm, pasture and forested areas which has been under constant cultivation and supervision by farmers and forest guards, since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide

evidence and the lack of association with recovered unknowns would tend to substantiate these conclusions. It is recommended that the remains of the individuals listed in these Board Proceedings be considered Non-Recoverable under the provisions of paragraph 3b, Letter, Office of The Quartermaster General, file QMGMP 293, Subject: Processing Board Findings of Non-Recoverability Return of World War II Dead Program, dated 25 March 1949.

Reference is made to: OQMG Forms 371; After Action Reports, and Casualty Clearance Plan; concerning each decedent; Reports of Field Investigations previously forwarded to The Office of The Quartermaster General, pertaining to resolved casualties who were killed in action in the Department of Moselle, France; on file in the Office of The Quartermaster General, Washington, D. C.

Reference is also made to: Report of Field Investigation, dated 10 July 1950: Attached.

2. All attached supporting documents are copied from records on file this headquarters.

3. It is recommended that the remains, based upon the above information and research, be declared non-recoverable.

Dear Mrs. Williams:

The Army Effects Bureau has received from overseas some personal effects of your husband, Staff Sergeant Evan Williams.

These effects are being forwarded to you in one carton.

If, by any chance, the property has not reached you at the expiration of thirty days from this date, please notify me and tracer will be instituted.

The action of this Bureau in transmitting personal effects does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the soldier's legal residence.

I regret the circumstances prompting this letter, and wish to express my sympathy in the loss of your husband.

Yours very truly,

D. S. JOHNSTON  
2nd Lt., QMG  
Chief, Adm. Division
