Mr. Martin Ambrozy  
Marblehead, Ohio

Dear Mr. Ambrozy:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country.

Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C.

While interment and beautification activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

THOMAS B. LARKIN

Burial of

Dear Mr. Ambrozy:

Reference is made to the "Letter of Inquiry - Disposition of Remains" sent to you about 45 days ago, requesting you to complete and mail the "Request for Disposition of Remains" form.

Since no reply has been received, you are again respectfully urged to return this completed form at the earliest possible date in order to avoid any unnecessary delay in the final disposition of the remains of your loved one.

Due to the tremendous amount of work involved in carrying out final burial arrangements for all of the deceased Americans of World War II, this program must proceed cemetery by cemetery in each area of the world.

The cemetery in which the remains of your loved one are buried is expected to be evacuated in the near future. In the absence of any reply from you by that time, the Government will assume that you have no objection to the final burial of the deceased in a permanent American Military Cemetery Overseas.

Sincerely,

G. A. HORKAN  
Brigadier General, GAC  
Chief, Memorial Division
