Dear Mrs. Edson:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Sincerely,

Dear Mrs. Edson:

The War Department is most desirous that you be furnished the latest information regarding the burial location of your husband, the late First Lieutenant Stuart P. Edson, A.S.N. O-467 449.

The records of this office disclose that his remains were originally interred in a temporary cemetery established near the place where he met his death, but were later moved to a more suitable site where constant care of the grave can be assured by our Forces in the field.

The records further disclose that his remains are now interred in the U. S. Military Cemetery Margraten, Holland, plot AAA, row 7, grave 163.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide the next of kin with full information and solicit his detailed desires.

Please accept my sincere sympathy in your great loss.

Dear Colonel Edson:

Your letter concerning your son, the late First Lieutenant Stuart P. Edson, has been received in this office.

The War Department has now been authorized to remove, at Government expense, to the final resting place designated by the next of kin the remains of those American citizens who died while serving overseas with our armed forces during this war.

When the necessary preliminaries have been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be sent to the next of kin of those American dead. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of the next of kin's detailed desires. Since letters to next of kin will be dispatched automatically and according to the records here, communications with this office regarding this subject will not be necessary.

As you probably know, the supply of steel for the manufacture of caskets, is at present uncertain. Without this essential item, the movement of remains cannot properly be initiated. This fact and the necessity for complete coordination of movement in many parts of the world make it impossible, at this time, to estimate when these forms will be mailed. Responses to them will be acted upon with a minimum of delay.

There are no provisions at the present time whereby the War Department may furnish photographs of military cemeteries or of individual graves overseas. However, it is anticipated that, within the current

The Quartermaster General,

Dear Sir,

I am in receipt of a letter from the Adjutant General saying that my son, ^{1st Lt.} Stuart P. Edson, O 467 449, had been moved from the civilian cemetery, near Oostrum, Holland, where he was buried by the Germans, to a United States Military Cemetery in Holland.

I would appreciate information as to the location of my sons grave. Would it be possible to obtain a photograph of it?

When do you anticipate that it will be possible to have the body returned to this country for interment in his family plot?

Sincerely,

Dear Colonel Edson:

This office promised that upon receipt of burial information concerning your son you would be advised.

The official report of burial shows that the remains of your son were originally interred in the R. K. Kerkhoff Civilian Cemetery at Oostrum, near Venray, Holland, but were later disinterred and moved to a more suitable site where constant care of the grave can be assured by our Forces in the field.

The report of burial further discloses that the remains of your son are now interred in Plot AAA, Row 7, Grave 168, in the United States Military Cemetery Margraten, Holland, located ten miles west of Aachen, Germany.

Dear Colonel Edson:

Your letter, addressed to The Adjutant General, concerning the burial location of your son, the late First Lieutenant Stuart P. Edson, has been referred to this office.

It is regretted to advise you that, to date, information pertaining to the burial of the remains of your son has not been received in this office. An investigation is being made to ascertain the location of his remains. The information which you furnished The Adjutant General has been forwarded to the proper theater of operations overseas to aid in the investigation, and upon receipt of a reply you will be advised.

The Graves Registration Service is constantly endeavoring to locate the remains of our deceased military personnel who are buried in isolated places and to reinter them into established United States military cemeteries.

It is anticipated by the War Department that the return, at Government expense, of the remains of those who have died overseas in the service of their country to a final resting place as selected by the next of kin will be authorized in the near future. Upon receipt of such authority, the War Department, through this office, will furnish full information to the proper next of kin and solicit their desires. However, it should be realized that this mission, as a whole, is world-wide in scope and of necessity time-consuming, but you may rest assured that this office fully appreciates your desires and will do everything in its power to fulfill them at the earliest possible date.

Please accept my sincere sympathy in the loss of your son.

Dear Mrs. Edson:

The Army Effects Bureau has received some personal effects belonging to your husband, 1st Lt. Stuart P. Edson.

This property is being forwarded to you in one footlocker and should reach you in the near future.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your husband.
