EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.
2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.
4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below.
2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mr. and Mrs. Fykerude:

Your recent letter indicating your desire for the final disposition of the remains of your son, the late Sergeant Norman L. Fykerude, has been brought to my attention. Unfortunately, your decision cannot be officially recorded for action in its present letter form.

The War Department will endeavor to determine from its records the person legally authorized to direct the final burial of the decedent. The eligibility of any kin to direct the final disposition will be in strict agreement with the precedence of the next of kin established by the Secretary of War, as authorized by Public Law 383, 79th Congress. Our records now indicate that the father of the decedent holds this disposition right, preceding the mother.

The first eligible person who will have the sole right to determine the final burial of the decedent will then receive a "Request for Disposition of Remains" form on which his wishes may be officially recorded, thereby enabling the War Department to legally comply with all feasible desires and directions in the most efficient and reverent manner.

Please rest assured that we will assist you in every possible manner.

Sincerely yours,

Dear Mrs. Fykerude:

Reference is made to your recent letter in which you requested information concerning your son, Sergeant Norman L. Fykerude.

Since the Chaplains in the Army are rotated from one organization to another the name of the Chaplain, who officiated at your son's burial is not known in this office. Mail may be directed to the Chaplain at the address you used previously in corresponding with your son.

Your inquiry regarding the burial of your son has been referred to the Quartermaster General, Washington 25, D. C., since that official has jurisdiction over all matters pertaining to the burial and effects of our men who die while serving overseas.

Permit me to extend my sympathy in your bereavement.

Sincerely yours,

Rt. 2, Box 141

Dear Mrs. Fykerude:

This acknowledges your letter of July 19, relative to personal effects of your son, Sergeant Norman L. Fykerude.

I am sorry to report that the Army Effects Bureau has not yet received any of his property. It is reasonable to assume, however, that his belongings ultimately will reach here, as all War Department agencies have instructions to forward the personal effects of military personnel to this Bureau for disposition. Transportation delays generally are encountered in delivery of effects, and considerable time should be allowed for the return of property from overseas.

Information of record here indicates that Sergeant Fykerude is survived by a widow, Mrs. Irlatha J. Fykerude, Rt. # 1, Box 402, Raymond, Washington. In accordance with Article of War 112, which governs the disposal of personal effects of deceased military personnel, the widow precedes the mother in entitlement. Therefore, upon receipt of Sergeant Fykerude's belongings, it will be in order for us to contact Mrs. Irlatha Fykerude regarding disposal.

With reference to the identification tags about which you inquired, Army Regulations do not provide for the forwarding of those tags to the soldier's family.

I wish to express my sympathy in the loss of your son.

Yours very truly,
