Henri-Chapelle U. S. Military Cemetery

Dear Mrs. Seitz:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interment and beautification activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

THOMAS B. LARKIN

Mr. Oscar Seitz
1509 Helen Street
Belleville, Illinois

Dear Mr. Seitz:

We have received the "Request for Disposition of Remains" form regarding the final interment of the remains of your son, the late Technician Fifth Grade Chester P. Seitz.

I am sorry this form must be returned again, however, official action cannot be taken on your decision unless this form is completed by you. It will be necessary for you to verify the relationship checked in red on page one, and to sign the form in the space provided at the bottom of page two.

Perhaps you will be interested to know the United States Military Cemetery, Henri-Chapelle, Belgium, in which the remains of your loved one now rest, has been designated as a permanent American Military Cemetery, dedicated in grateful remembrance of the Dead of World War II, and your son's remains will rest forever in this hallowed ground. As an American Military Cemetery it will be beautified, maintained and permanently cared for by our government.

It may be necessary to rebury the remains of your son in another part in accordance with the final plans for the beautification and consolidation of the cemetery, but if so, you may be certain the exact location of his grave will be communicated to you, together with other pertinent information which will be of special interest.

Your cooperation in this matter will be sincerely appreciated, and we have inclosed an envelope, which requires no postage, for the return of the completed form at your earliest convenience. Its prompt return will avoid further delay.

Sincerely yours,

RICHARD B. COOMBS

Dear Mrs. Seitz:

Inclosed herewith is a picture of the United States Military Cemetery Henri-Chapelle, Belgium, in which your loved one, the late Technician Fifth Grade Chester P. Seitz, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Sincerely yours,

Dear Mr. Seitz:

The War Department is most desirous that you be furnished the burial location of your son, the late Technician Fifth Grade Chester P. Seitz, A.S.N. 36 054 059.

The records of this office disclose that his remains are interred in the U. S. Military Cemetery, Henri-Chapelle, Belgium, plot C-4, row 5, grave 84.

This cemetery is located approximately seven miles southwest of Aachen, Germany, five miles northwest of Eupen and eight miles east of Liege, both in Belgium, and is under the constant care and supervision of United States military personnel.

It is anticipated that, in the near future, the War Department will receive authority to return the remains of your son, at Government expense, to the final resting place which you select. When the necessary arrangements have been completed, this office will, without any action on your part, give full information and solicit your detailed desires.

Please accept my sincere sympathy in the loss of your son.

Sincerely yours,

T. B. LARKIN
