Dear Mrs. Shutt:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interment and beautification activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

THOMAS B. LARKIN

Gentlemen:

As a result of your inquiry of February 13, 1948 our York County Chapter has submitted the following report.

On March 5, 1948 the York County Chapter received a letter from Mrs. Shutt in which she stated that she did not desire to have her husband's body brought to this country. At that time the Chapter worker contacted Mrs. Shutt by letter and enclosed the completed Form 345 for her signature. On March 12, since Mrs. Shutt did not return the form, the Chapter worker called on this family and spoke with a daughter. At this time the Chapter worker interpreted to the daughter the necessity for Mrs. Shutt's completion of the necessary form.

If this form is returned to the Chapter, they will forward it to us and we of course will direct it to your Office. In the meantime we are attaching hereto Mrs. Shutt's original letter to the Chapter worker. We trust this information will be of value to you.

Very truly yours,

I talked it over with my two oldest daughters one is sixteen and the other fourteen and they feel the same way I do, that it would only start up heart aches and have every one feeling the same as when we received word that it

Dear Mrs. Shutt:

Reference is made to the "Letter of Inquiry - Disposition of Remains" sent to you about 45 days ago, requesting you to complete and mail the "Request for Disposition of Remains" form.

Since no reply has been received, you are again respectfully urged to return this completed form at the earliest possible date in order to avoid any unnecessary delay in the final disposition of the remains of your loved one.

Due to the tremendous amount of work involved in carrying out final burial arrangements for all of the deceased Americans of World War II, this program must proceed cemetery by cemetery in each area of the world.

The cemetery in which the remains of your loved one are buried is expected to be evacuated in the near future. In the absence of any reply from you by that time, the Government will assume that you have no objection to the final burial of the deceased in a permanent American Military Cemetery Overseas.

Sincerely,

G. A. HORKAN

Dear Mrs. Shutt:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.
