Honorable Charles 2. Vursell House of Representatives

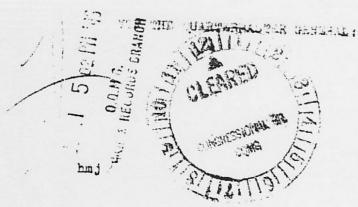

Dear Mr. Tursell:

Acknowledgment is made of your inquiry of 6 July 1946, in behalf of Mrs. Rose Fulton, 609 sest 7th Street, Centralia, Illinois, regarding the return of the remains of her son, Second Lieutenant Leslis J. Fulton.

Lagislation has recently been enacted into law providing for the return of the remains of all known American dead who gave their lives overseas and for whom verified burial information has been received. Heturn of the remains of the deceased will be made by eren and not by individual case. However, due to the steel shortage which prevents the delivery of caskets until sometime in the late fall, it will be impossible to start repatriation activities at this time.

Defore the remains of any decoased are returned to this country, the next of kin will be contacted through a Letter of Inquiry from this office to ascertain their assire as to the final resting place of their loved ones. Until the Letter of Inquiry, referred to above, is received, no further action is necessary. All amongs incident to the preparation, cosketing and shipment to the place designated by the next of kin will be borne by the Government.

Please extend my deenest symmethy to Mrs. Fulton in the loss of her son.
