Dear Mr. Gallo:

Reference is made to a letter dated 15 August 1949, written in your behalf by Mr. William J. Duffy, regarding the personal effects of your son, the late Private Alfred A. Gallo.

The Army Effects Bureau at Kansas City, Missouri, has forwarded Mr. Duffy's letter to this Office for reply as all records from the Bureau pertaining to your son's effects are now on file here. These records reveal that the few articles forwarded to you in 1945 consisted of all the property received at the Bureau for him.

Private Gallo was an Infantryman and he, no doubt, had most of his belongings on his person at the time of the casualty. I am sure you realize the difficulties encountered in the recovery of personal effects from the battlefield, due to the inevitable confusion attendant upon combat condition and the possible presence of enemy souvenir hunters.

Realizing the sentimental as well as monetary value of your son's missing effects, it is regretted that all of them were not recovered.

Sincerely yours,

Dear Mrs. Gallo:

The inclosed form, "Request for Disposition of Remains" pertaining to the final burial of the remains of your son, the late Private Alfred A. Gallo, and signed by you, is returned for completion of those parts checked in red pencil. You will understand that this vital information is necessary to enable us to properly comply with the desires of the next of kin.

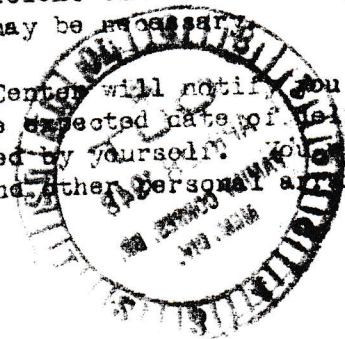

The lower half of page 2 must be signed in the presence of a properly authorized Notary Public, Judge or Clerk of a Court of Record, Justice of the Peace or any official authorized to administer oaths.

I wish to advise you that the remains of your son have not as yet been returned to the United States.

The present plans of the Return of World War II Dead Program indicate that the remains interred in the United States Military Cemetery Champigneul, France, will be exhumed during the summer months of 1948.

Because unforeseen circumstances may retard or accelerate this estimated date of exhumation, it is inadvisable to complete funeral or other personal arrangements at present. You will be informed of a more definite date of delivery of the remains in sufficient time to enable you to make such personal and other arrangements as may be necessary.

The Commanding Officer of the Distribution Center will notify you of the arrival of the remains of your son and of the expected date of delivery of the remains at the destination previously named by yourself. You will be afforded ample time to complete all funeral and other personal arrangements that you may desire.

Dear Mrs. Gallo:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

Dear Mrs. Gallo:

Inclosed herewith is a picture of the United States Military Cemetery Champigneul, France, in which your son, the late Private Alfred A. Gallo, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Sincerely yours,
