Mr. Elroy F. Jenkins
Department Service Officer
Veterans of Foreign Wars of the United States
Veterans Administration Building
Baltimore 2, Maryland

Dear Mr. Jenkins:

Your letter pertaining to the remains of the late Private Andrew Miller, has come to my attention.

The Secretary of the Army pursuant to the authority granted under Public Law 368, 80th Congress, has established the precedence of relatives eligible to designate the disposition of the remains of the deceased. Accordingly the widow has the prior disposition right unless she was separated, divorced or has remarried. In either of these events the disposition right reverts to the parent of the decedent, the father having precedence over the mother.

Information received in this office from the Veterans Administration verified the fact that the widow of Private Miller had remarried. Therefore, our records were amended to show that his father was the next of kin and person legally authorized to direct the final disposition of the remains of his son, and full information regarding the "Return of World War II Dead Program," was forwarded to Mr. Miller.

Mr. Miller has properly completed and returned to this office a "Request for Disposition of Remains" form indicating that it is his desire to have the remains of his son returned to the United States for final interment in Arlington National Cemetery, Fort Myer, Virginia.

I regret to advise you that our records do not contain the present mailing address of Private Miller's former widow.

Dear Sir:

Attached you will find a copy of a letter that we have received from a Post Service Officer in Lonaconing, Maryland.

If we could secure the address of this veteran's wife, formerly Miss Ruby Whitson, WAC, at Camp Shanks, we could ask her permission to have the veteran buried in a private cemetery near the father and mother as per their request.

Please advise the writer if the parents have sent in a request for burial at Arlington Cemetery and did they receive the proper relinquishment from the veteran's wife. If possible, let us have the expectant arrival date of the remains of this veteran.

Thanking you for your interest in the above matter, I am,

Dear Comrade:

I received your letter of August 16th and also the Gold Star Lapel Button applications. Later, I will answer about George A. Ternent.

This time I am after information and I will give you all the facts I can.

Andrew Miller, Pfc., 13069517, one of thirteen children, deceased, line of duty European theater (?) Sept. 6, 1944. The EM married approx. 1 month before sailing, Miss Ruby Whitson WAC at Camp Shanks. The wife receives the insurance. Parents, both living, receive the Purple Heart. Parents are having remains brought to the states and burial at Arlington, Wash.

Mrs. Miller, mother has tried to contact her son's wife and until now has failed. She does not have hard feelings towards the daughter in law.

The parents are not too well off, but if they could contact the daughter in law and get the daughter in law to share the expense they would have the burial here in private cemetery.

The question:--Could Mrs. Miller get the address of the daughter in law from the National Service Life Insurance?

It is now 4 years since the EM death perhaps the wife has remarried. I would like to be of help to this family and do what I can to put them in contact with their late son's wife.

Trusting for your help in the above matter, I remain,

Yours in Comradeship
