of the arrival of the remains in the United States. It was stated in this initial notification that a second telegram will be dispatched three to four days prior to the time the escort will leave the Distribution Center with the remains.

In case the burial is in a national cemetery, the family will be notified by the Superintendent of the cemetery. This notification will give the date and time of the burial service. You will receive this notification in sufficient time to make arrangements to attend. The time will usually be from three to five days. The expense of attending the ceremony at the national cemetery must be borne by the next of kin. Chaplains of the three major faiths are in attendance at the national cemetery and will conduct proper religious service. The next of kin may select a clergyman of their own choice if they so desire. Military honors are always provided by the U. S. Government at the national cemeteries.

In case of burial in a private cemetery, the funeral director or other consignee will be notified by telegram three to five days prior to delivery and he in turn is requested to notify next of kin immediately so you will have adequate time to make funeral arrangements.

The casket used in the repatriation of World War II dead is made of 18 gage seamless steel, hermetically sealed. The entire interior is quilted silk lined, consisting of upholstery, mattress and pillow. The casket is inclosed in an outer protective plywood metal-lined shipping case, which is suitable for use as a burial vault and is used for this purpose in all national cemeteries. Upon delivery of the remains, the shipping case becomes the property of the next of kin.

Transportation of the remains from this Distribution Center to the point designated by you will be at government expense. If burial is to be in a private cemetery, a government allowance of not to exceed \$75.00 is authorized to cover actual burial expenses incurred by the next of kin. Expenses in excess of this amount must be borne by the next of kin or other individual incurring such expenses. The necessary papers for applying for Government allowance, in the case of private burials, will be furnished by the escort at the time the remains are delivered. No interment allowance is authorized in the case where burial is accomplished in a national cemetery. All expenses are assumed by the U. S. Government when burial is consummated in a national cemetery.

Please feel free to call upon this Distribution Center if you think we can be of assistance to you. Letters should be addressed to the Commanding Officer, Distribution Center Number 1, New York Port of Embarkation, Brooklyn, New York.

INFORMATION FOR NEXT OF KIN OF WORLD WAR II DECEASED

You have just been advised by telegram from Distribution Center #1 that the remains of your loved one is enroute to the United States. The purpose of this letter is to explain to you what will happen between the time you received the telegram and the time the remains will be delivered. This should help you in making your plans for burial arrangements.

The telegram that you received was dispatched several days before the arrival of the mortuary ship at the New York Port of Embarkation. As soon as the mortuary ship arrives in the United States, individual remains are debarked from the vessel and carefully checked against the passenger list deceased. The casketed remains together with the outer protective cases are then moved in special mortuary railroad cars under military guard to the distribution center, which will eventually deliver remains to the final destination.

The honored American dead being returned to the next of kin in Metropolitan New York, northern New Jersey, New England States and northern Pennsylvania are moved through Distribution Center #1 which is a Quartermaster installation located in the New York Port of Embarkation. This Distribution Center will, upon receiving remains for delivery to its area, make up a delivery schedule that will be accomplished over a period of several weeks after remains have arrived at the U. S. Port of Entry. This schedule will take into consideration the availability of appropriate escorts, transportation facilities and the operational workload of the Distribution Center itself.

Delivery of the war dead is accomplished essentially in the order in which the remains are debarked from each vessel and are delivered to the custody of the Distribution Center. There is no priority established because of rank or alphabetical order. Delivery of the remains from each vessel is completed before a delivery schedule is made for remains arriving on a subsequent ship. A period of from one to six weeks will elapse before the remains of your loved one will be delivered. This period is necessary to permit a careful inspection of the casket and its outer protective case, to determine transportation routing and to select proper military escort to deliver the remains to the place designated by the next of kin.

The remains are escorted home individually by a service man who is of equal or higher rank, of the same branch of service, of the same race and sex as the deceased.

Dear Mr. Karilivacz:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. Dear Mrs. Cekala:

Your letter pertaining to the remains of your brother, the late Technician Fourth Grade Charles V. Karilivacz, has come to my attention.

The Department of the Army may only legally recognize designations for disposition of the remains of your brother, from persons in strict agreement with the precedence among relatives established by the Secretary of the Army. The present records of the Department of the Army indicate that the father of the decedent, Mr. Charles Karilivacz, now has the sole right to designate the disposition.

A "Request for Disposition of Remains" form will be mailed to your father.

The feasible desires and instructions recorded by him will be complied with unless legal verification is received that another relative is the one proper person having the right to direct the final interment.

May I extend my sympathy in the loss of your brother.

Sincerely yours,

Dear Mrs. Karilivacz:

The Army Effects Bureau has received from overseas some personal property of Technician Fourth Grade Charles W. Karilivacz.

Our records indicate that he is survived by a daughter, Valerie Karilivacz. Before disposition can be made of the property in our custody, it is necessary that we have the name and address of the person who is the legal guardian of Sergeant Karilivacz's daughter. If no guardian has been appointed, please advise whether you have custody of the child.

For your convenience in replying, there is inclosed an addressed envelope which requires no postage.

Yours very truly,

Dear Mrs. Cekla:

This acknowledges your letter of October 13, inquiring about the personal effects of your brother, Sergeant Charles Karilivacz.

I am sorry to report that the Army Effects Bureau has not yet received any of your brother's property. There is inclosed an information circular which will give you some idea of the time which may elapse before personal effects arrive here from overseas.

You will note from Paragraph 3 of the circular that this Bureau needs certain information in order to make disposition of property. You may furnish the necessary information at this time, if you wish, so that your brother's effects may be forwarded promptly upon receipt here.

For your convenience, there is inclosed a self-addressed return envelope which requires no postage.

I wish to express my sincere regret of the circumstances prompting this correspondence.

Yours very truly,

A. F. TIMMS

Dear Sis:

Received official notice of my
brothers death in France. Sept 9, 1944.

Now of course I would like
any of his personal belongings that
are left behind or sent back from
over seas.

My concern is - When my brother
was leaving for over seas. He did send
some personals home to me. In one pkg.
I have found a set of keys. (Which I
was wondering if belong to a locker or

a strong boy or such. Would you people
know. All the boys have a locker in
the states before going over seas. I
know it takes time for things like this
to come thru. So I thank you for
your kind service. (Sister)
