Mr. Robert L. Boulware

Chillicothe, Missouri

Dear Mr. Boulware:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country.

Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is 1712 "G" Street, N. W., Washington 25, D. C.

While interment and beautification activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

ADDITIONAL REMARKS AND INSTRUCTIONS

All remarks and information entered here will be considered as part of the Notarial Attestation.

I have been sent a picture of the U.S. Military Cemetery at Paris Chateau Belgium + I am well pleased with the way it looks. To bring the body back home now after these 2 1/2 years to me would seem to be a British man's job which I am sure they will do. I shall let him stay until that day when our heavenly Father sees fit to raise the dead. I would love to have had a letter from the Chaplain telling me about it but I realize that that would of been a big undertaking + I do most sincerely appreciate everything that the Govt. has done for us in this way.

Sincerely

Dear Mr. Boulware:

Enclosed herewith is a picture of the United States Military Cemetery Henri-Chapelle, Belgium, in which your son, the late Private Charles R. Boulware, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

Dear Sir:

I received a letter of  
information today about the  
location of our son's last resting  
place, which said he was  
buried in #1 Henri Chapelle, Belgium  
plot B row 10. Grave 186.

On Nov. 12. 1944 we had  
a letter from Richard W. Croppio,  
H. Col. Inf. Commanding. Telling us  
that our son had been killed  
in Holland. was buried in  
Centraf Holland. & had had a P

Protestant Services.

What I can't get through  
this thick head of mine, so  
how come I have the 2  
messages from 2 different  
countries that he has 2  
resting places.

I know the Gov. has done  
every thing possible to make  
it easier for the parents who  
have given their son's 2  
daughters - but I just don't  
get it. how he Chas. R. Paul was  
can he in 2 countries.

It has been very difficult

for me to believe her as you  
I just never have felt like she  
was. + a few mistakes have been  
made. There I statements have  
made us wonder more than

ever. None of his personal  
belongings have been returned  
except a bill fold that we  
know he did not have when he  
left the States. In July. He  
was moving so fast. while their  
thought that he covered of replaced  
what he left here with.

If it would not be asking  
so much we would love to  
have an explanation of the  
two Statements. if possible.
