1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. **WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.**

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

SUBJECT: Identification of Unidentified Deceased Personnel.

TO : Commanding General, Seventh U.S. Army, APO 758, U.S. Army.

1. It is requested that the attached Report of Burial be transmitted to the 48th Armored Infantry Battalion to determine if the remains buried in U.S. Military Cemetery No. 1, Grand Faily, France, as Unknown X-19 can be identified as S/Sgt George M. Haack, 32246442, who was reported MIA 8 September 1944. The estimated date of death in the report of burial is not reliable because the remains were in an advanced state of decomposition when they were located.

2. If the MIA report for S/Sgt Haack shows that he was missing in the vicinity of Maizieres les Metz and if his height, weight, and clothing sizes are similar, identification will be established by this headquarters. It is requested that this data and any other information which may serve as a basis for establishing identity be forwarded to this headquarters.

Dear Mrs. Haack:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Sincerely,

Dear Mrs. Haack:

The War Department is most desirous that you be furnished information regarding the burial location of your son, the late Staff Sergeant George M. Haack, A.S.N. 32 246 442.

The records of this office disclose that his remains are interred in the U. S. Military Cemetery Grand Faily, plot L, row 1, grave 20. You may be assured that the identification and interment have been accomplished with fitting dignity and solemnity.

This cemetery is located ten miles north of Verdun, France, and is under the constant care and supervision of United States military personnel.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide the next of kin with full information and solicit his detailed desires.

Please accept my sincere sympathy in your great loss.

Sincerely yours,

SUBJECT: Identification of Unidentified Deceased Personnel.

TO : Commanding General, Seventh U S Army, APO 758, U S Army.

1. It is requested that the attached Report of Burial be transmitted to the 48th Armored Infantry Battalion to determine if the remains buried in U S Military Cemetery No 1, Grand Faily, France, as Unknown X-19 can be identified as S/Sgt George M. Haack, 32246442, who was reported MIA 8 September 1944. The estimated date of death in the report of burial is not reliable because the remains were in an advanced state of decomposition when they were located.

2. If the MIA report for S/Sgt Haack shows that he was missing in the vicinity of Maizieres les Metz and if his height, weight, and clothing sizes are similar, identification will be established by this headquarters. Dear Mrs. Haack:

The Army Effects Bureau has received some personal effects belonging to your son, Staff Sergeant George M. Haack.

This property is being forwarded to you in one package and should reach you in the near future.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your son.
