Dear Mr. Raduechel:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country.

Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C.

While interment and beautification activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mr. Raduechel:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

Dear Mr. Raduechel:

Inclosed herewith is a picture of the United States Military Cemetery Henri-Chapelle, Belgium, in which your son, the late Private First Class Clarence A. Raduechel, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Dear Mr. and Mrs. Raduechel:

Reference is made to your letter requesting information concerning the burial location of your son, the late Private First Class Clarence A. Raduechel.

The burial location as given in our letter of 31 October 1945, is correct. For your information however, it is not always possible in the combat zone to inter the remains of our military personnel in the cemetery nearest the place of death,

Dear Colonel Zwicker:

I note in checking our files that sometime ago we received a letter from Mr. and Mrs. Walter G. Raduechel, 2315 W. Burleigh St., Milwaukee 6, Wisconsin.

They request information as to the burial place of their son:

Pfc. Clarence A. Raduechel

This request accompanied Mr. Mancel Talcott and National Commander Scheiberling on their recent trip abroad and the information brought back by them was that this deceased soldier was buried in the Henri Chapelle Cemetery. I am advised in a letter from these folks today that he had been buried in Central Holland, according to information received from the War Department. Dear Mr. Raduechel:

The Army Effects Bureau has received some additional property of your son, Private First Class Clarence A. Raduechel.

I regret to advise that included among your son's effects is a note book which is damaged, apparently by bloodstain. Please say whether you want this item sent with the remainder of the property. It is our desire to refrain from sending any article which would be distressing; at the same time, we do not feel justified in removing the item without your consent. Unless your reply in this regard is received here within fifteen days from date of this letter, it will be assumed that the article mentioned is acceptable.

Please mail your reply in the inclosed self-addressed envelope which needs no postage, as this will accelerate delivery of the property.

Yours very truly,

HARRY NIEMI
