Gentlemen:

My brother, Edwin H. Bush, was killed in World War I in Europe. I think he was in the 10th Army in a Cavalry Battalion. His Service Number was 11,075,014. I also had some correspondence received from the War Department right after his death in which appeared this number - ID # 280. He was killed in England on October 2, 1918.

I would appreciate it very much if you would let me know what he is buried in.

Very truly yours,

Dear Mrs. Rush:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country.

Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C.

While interment and beautification activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

ADDITIONAL REMARKS AND INSTRUCTIONS

All remarks and information entered here will be considered as part of the Notarial Attestation.

In the event that Henri-Chapelle cemetery is retained as a permanent American Military Cemetery, I should like for the remains of my husband, Sgt. Dimeon H. Rush, to be kept there. I prefer that he not be moved at all, although I realize that that ~~most~~ likely will not be in accordance with the plans for final interment.

Dear Sir:

I have received your letter of August 10, stating that you were sending me some property belonging to my husband, Sergeant Simeon H. Rush.

Thinking that I had received all of my husband's property that I would be able to get, I did not send you my new and permanent address. If you have had this property returned to you, please send it to the following address: Route 4, Jonesville, Virginia. My previous address was 108 N. Broadway, Greenville, Miss. I have written the postmaster in Greenville, but I suppose the rules will not permit her to send them on to me and she will return them to you.

There is a possibility that they have not left the Personal Effects Bureau yet, but since the letter that I received from your office is dated August 10, I suppose they have already been sent. I am anxious to get this additional property, so I shall appreciate your attention to this matter. I am sorry to cause your office this extra trouble.

Dear Sir:

I am writing you concerning
the personal effects of my husband
Sgt. Simeon Howard Rush 14095074.
Co. C. 48th Armored Inf. Bn.
A.P.O. 257. He was killed in
action in Holland Oct. 2, 1944.

I understand that it takes
much time for such matters
but I am anxious to receive
them as soon as possible.
Thank you for your assistance.
