Mr. Joe G. Tayse
 23 East End Avenue
 Statesville, North Carolina

Dear Mr. Tayse:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Dear Mrs. Tayse:

Reference is made to the "Letter of Inquiry - Disposition of Remains" sent to you about 45 days ago, requesting you to complete and mail the "Request for Disposition of Remains" form.

Since no reply has been received, you are again respectfully urged to return this completed form at the earliest possible date in order to avoid any unnecessary delay in the final disposition of the remains of your loved one.

Due to the tremendous amount of work involved in carrying out final burial arrangements for all of the deceased Americans of World War II, this program must proceed cemetery by cemetery in each area of the world.

The cemetery in which the remains of your loved one are buried is expected to be evacuated in the near future. In the absence of any reply from you by that time, the Government will assume that you have no objection to the final burial of the deceased in a permanent American Military Cemetery Overseas.

Sincerely,

Dear Mrs. Taysse:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Dear Mrs. Tayse:

Inclosed herewith is a picture of the United States Military Cemetery Henri-Chapelle, Belgium, in which your son, the late Corporal William P. Tayse, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Dear Mrs. Tayse:

The Army Effects Bureau has received from overseas some personal effects of your son, Corporal William P. Tayse.

I am inclosing a check for \$21.55, representing funds which belonged to him. The remainder of the property is being forwarded to you in one package. Regrettably, some of these effects were damaged prior to receipt at this Bureau.

If, by any chance, the property has not reached you at the expiration of thirty days from this date, please notify me and tracer will be instituted.

The action of this Bureau in transmitting personal effects does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the soldier's legal residence.

I regret the circumstances prompting this letter, and wish to express my sympathy in the loss of your son.

Yours very truly,
