EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.
2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.
4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2. below.
2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Mr. and Mrs. Anthony Czubak

Dear Mr. and Mrs. Czubak:

Your letter concerning your son, the late Captain Anthony E. Czubak, has been received in this office.

The War Department anticipates that, in the near future, authority will be granted to return, at Government expense, the remains of those who died overseas to a final resting place as selected by the next of kin.

When the necessary legislation authorizing this Repatriation Program receives Congressional approval and other required arrangements have been made, a poll letter, with a return form and an information pamphlet attached, will be sent to the next of kin of each deceased serviceman whose remains lie overseas and for whom verified burial information has been received.

Since the problem itself, and the planning and arrangements therefor, are world-wide in scope, the date when the poll letter can be mailed and the date when the answers will be received and can be acted upon is necessarily uncertain. It should be realized, however, that the next of kin will be notified without action on their part as soon as the necessary preliminaries have been completed. You may rest assured that this office fully appreciates your desires in this matter and will do everything in its power to fulfill them at the earliest possible date.

FOR THE QUARTERMASTER GENERAL:
