Dear Mr. Brooks:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Dear Mr. Brooks:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

ADDITIONAL REMARKS AND INSTRUCTIONS

All remarks and information entered here will be considered as part of the Notarial Attestation.

My son, Hugh T. Brooks, represented the 9th generation of my family to be born in the United States. He was the 7th male in the direct line to wear the uniform in time of war and see combat service. Mrs. Brooks and I feel that he should be buried with his friends, in the neighborhood which he helped to free.

No atlas which we have seems to show the site of the cemetery, Neuville-en-Condroz, Belgium. We would very much appreciate a word of description of the locality, in relation to some larger city.

Permit me to thank you for your letter. J.T.

NARRATIVE  
ON NIEDER PRUM, GERMANY CASE

On the 24 July 1947 this searching team proceeded to Nieder Prum, Germany to search for graves of American deceased.

According to information received from First Field Command, six (6) American soldiers were killed during an air raid on a prison camp at Nieder Prum on the 2 January 1945.

In questioning several people of the above town we learned, that approximately 20 ft. from the German Military Cemetery of Nieder Prum several Americans were buried in a field, but they had been disinterred by American troops early in 1945.

As we could not get any positive proof that the deceased had been disinterred, we proceeded to dig up the area and discovered the remains of eleven (11) American deceased in one mass grave.

Nine (9) of the deceased wore their identification tags around the neck but on two (2) of these none could be found.

This casualty wore an identification tag bearing the following: Brooks, Hugh T., 11064869 T 42-43 A.P.

No other information pertaining to the deceased is available.

This dental chart is very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions : Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found. See reverse side for illustrations.

Acting on information contained in basic communication an investigation was conducted in the REGNE area, which village lies in the Community of BIHAIN, in order to locate the remains of Tex/5 Hugh T. BROOKS, 11 064 869, KIA on 2-1-45.

A statement was obtained from the local president of the Red Cross at REGNE, in which he declares that no American soldiers are buried in or near REGNE:- that deceased in question is not known to him;- that he turned over to this investigator three documents, viz: one (1) picture book, without nomenclature, one (1) Treatment Record of George G. Beck, and one Lodge Membership Card of George G. Beck, containing several pictures. These three documents were turned over to him by a civilian, - he does not remember the civilian's name. Moreover, he declares in this statement that BECK before mentioned has been evacuated by the American Army.

Furthermore, a statement was obtained from the Burgomaster of BIHAIN, under whose jurisdiction falls the village of REGNE, in which he declares that there are no graves of allied military on the territory of his community including REGNE; - that BECK has been evacuated by the American authorities; - and that BROOKS is entirely unknown to him, and is not buried in the Community.

Dear Lt. R.T. Brown:---

Thank you for your letter of  
January 30th.

Please send the address book in  
whatever condition it may be. My late son was a  
methodical youngster and the book may contain the  
name and address of a Holland Dutch family who  
entertained him overnight, a few days before his  
death.

They were poor people and I want to  
send them something besides my thanks for giving  
him a grand time.

Permit me also to thank you for the  
work of your bureau. As Commander of the local Legion  
Post, I have had reason to know of your care and  
tact.

Yours truly,
