15 August 1950

Mr. Philip A. Reynolds  
17 Watkins Avenue  
Oneonta, New York

Dear Mr. Reynolds:

Reference is made to the interment of your son, the late Technician Fifth Grade Edward P. Reynolds, and his comrade which was made in Grave No. 13571, Section J, Long Island National Cemetery, Farmingdale, New York. It is regretted that because of the fact it was impossible individually to identify the remains of your son you were deprived of the comfort and consolation which might have been afforded by interring his remains at home.

It is felt that you might like to have the inclosed photographs of the grave and the headstone which has been erected.

You are assured that the grave will always be cared for in a manner fully commensurate with the sacrifice your son has made for his country. Any desired information concerning the grave or the cemetery will be furnished upon request.

Sincerely yours,

F. A. KIRK  
Major, QMC  
Memorial Division

8 July 1949

Mr. Philip A. Reynolds  
17 Watkins Avenue  
Oneonta, New York

T/5 Edward P. Reynolds, 32 233 918  
Group Burial  
United States Military Cemetery  
Foy, Belgium

Dear Mr. Reynolds:

The Department of the Army desires that you be given the most recent information concerning your son, the late Technician fifth grade Edward P. Reynolds, ASN 32 233 918.

His remains were initially buried with others of his comrades who met their death in the same incident. Since that time the American Graves Registration Service has, without success, explored every clue that might lead to individual identification of any of the remains, and has at last been forced to conclude that only a group identification of the remains is possible. They are now casketed and, pending return to the United States, are being held at the United States Military Cemetery Foy, Belgium.

All remains in this group will be brought back simultaneously for interment in Long Island National Cemetery, located at Farmingdale, New York.

This plan for the burial of all the known groups of men for whom individual identity cannot be established in one of our country's shrines is based upon the provisions of Public Law 383, 79th Congress, as amended by Section 3, Public Law 368, 80th Congress. Final interment in a National Cemetery in the United States where perpetual care will be given the graves, is fitting and proper. This particular National Cemetery was selected in order that no undue burden of travel might be placed on any one family wishing to attend the services.

You and the next of kin of the other men will be informed of the date and time of the final interment sufficiently in advance to permit you and any interested persons to attend the ceremonies. In order that you may receive information concerning these final rites, it is essential, in case you change your address, that you promptly inform the Commanding General, New York Port of Embarkation, Attention AGRD, First Avenue and 58th Street, Brooklyn 20, New York.

Sincerely yours,

E. V. FREEMAN  
Colonel, QMC  
Memorial Division

SUBJECT: Identification of Unknown Deceased

TO : Commanding General  
 American Graves Registration Command  
 European Area  
 APO 58, c/o PM, New York, N.Y.

1. Reference is made to Corrected Reports of Burial for the following deceased interred in USMC Foy, Belgium, whose identifications were established by your headquarters:

X-85A Plot I, Row 11, Grave 253. Bones were large and strongly built. One shoe size 10D. Identified as: LASHOMB, Francis F. ASN 32233878 (Driver).

X-86 Plot I, Row 11, Grave 254. X-85B (bones of smaller structure) consolidated with X-86. Identified as: REYNOLDS, Edward P. ASN 32233918 (Gunner).

2. Individual identification of the above deceased has not been approved by this office for the following reasons:

Identifications appear to be based solely on the position of the remains within the tank and are not consistent with the physical characteristics of the individuals as recorded in Army records:

LASHOMB:	5' 10"	144 lbs.	6E shoe (Driver)
REYNOLDS:	5' 10 $\frac{1}{4}$ "	203 lbs.	12D shoe (Ass't Driver).

3. Due to fragmentary condition of the remains, individual identity in this instance is not considered feasible. It is therefore requested the above facts be presented to the Field Board for reexamination, and if ~~RECOVERABLE~~ circumstances warrant, that reidentification be established as "Recoverable Remains" of LASHOMB and REYNOLDS and corrected Burial Reports submitted at the earliest practicable date.
