Warboisont. The position at 578852 was main- tained and held under a heavy enemy counter attacks. On the 8th attack it was abandoned of order. All vehicles had been destroyed by their action and those stillable to leave the position on foot were to do so. The 3 Ran were held to the last minute, without a leaving his post till ordered. The MIA is being held up in hopes some 50 men return. Though each and every man of this unit knew the futility of this suicide mis- sion credit must be given to the fullest ex- tent to the O'a and EM for their loyalty to this action as they fully knew that death awaited them. When the or- der to abandon post was given they were sur- rounded on all sides. This unit held this position for 4 days. While there they were under constant small arms and Arty fire. On this day they were subjected to the fury of a mortar bat.
