HEADQUARTERS 7th ARMORED DIVISION
Office of the Division Commander

APO 257, U. S. Army
30 January, 1945

TO THE OFFICERS AND MEN OF THE
7th ARMORED DIVISION AND ATTACHED UNITS:

The past month has seen our Division play a major role in two difficult operations, one defensive the other offensive. The splendid manner in which you accomplished your assigned missions in both of these operations reflects great credit upon each officer and enlisted man in the Division and of those units operating with us.

During the period 17 December 1944, to 29 January 1945, you dealt the enemy a telling blow, the box score being estimated as follows:

3095 Killed	18 Self-propelled guns destroyed
1984 Wounded	11 Field pieces destroyed, 7 Captured
1188 Captured	68 Assorted vehicles destroyed
126 Tanks destroyed, 1 Captured	

Through your fighting spirit, courage and devotion to duty you have won the praise and respect of all the civilized world.

I wish to add my sincere, personal appreciation for your accomplishments and sacrifices that have won for the Division such an enviable record.
