Dear Mrs. Bonczyk:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

Dear Mrs. Bonczyk:

Inclosed herewith is a picture of the United States Military Cemetery Henri-Chapelle, Belgium, in which your son, the late Private Stanley F. Bonczyk, A.S.N. 36 624 640 is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Dear Mrs. Bonczyk:

Your letter concerning your son, the late Private Stanley F. Bonczyk, has been received in this office.

The War Department has now been authorized to remove the remains of our honored dead, at Government expense, to the final resting place which next of kin may designate.

When the necessary verification of records has been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be mailed to you. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of your detailed desires as next of kin. Until you receive these forms, therefore, it will not be necessary for you to communicate with this office regarding this subject, unless you desire to report any change of address.

As you probably know, the supply of steel for the manufacture of caskets, is at present uncertain. Without this essential item, the projected movement of remains cannot properly be initiated. This fact and the necessity for complete coordination of movement in many parts of the world make it impossible, at this time, to estimate when the mentioned forms will be mailed. Every effort, however, will be made to shorten the time between now and the date of mailing, and your desires will be acted upon with a minimum of delay.

However, it is anticipated that, within the next calendar year, the War Department, through the Headquarters, Army Air Forces, will be able to provide, upon request of the next of kin, air photographs of most of the principal established military cemeteries overseas.

The War Department anticipates that, in the near future, authority, will be granted to return at Government expense, the remains of those who died overseas to a final resting place as selected by the next of kin. Upon receipt of such authority, the War Department, through this office, will furnish full information to the proper next of kin and solicit their desires. It should be realized that this mission as a whole is world-wide in scope and of necessity time-consuming, but you may rest assured that this office fully appreciates your desires, and will do everything in its power to fulfill them at the earliest possible date.

Your son is eligible for burial in any National Cemetery in which grave space is available. When next of kin is contacted concerning the return of the remains a request may be made that the body be shipped direct to a National Cemetery. The Superintendent of the National Cemetery concerned will be authorized to permit the interment.

If legislation now pending in Congress is enacted into law, it is proposed to establish a number of new National Cemeteries so that there will be at least one National Cemetery in every state. If this legislation is enacted, establishment of new National Cemeteries at Chicago, Springfield and Centralia is contemplated.

There is inclosed a list of National Cemeteries in the United States.

What I would be inter-

any answer given to me to these
questions

1.) If it would be possible to obtain

son

2. Were there any arrangements

bringing our heroes to our own
cemetery plots or plots obtained
by the government as was mentioned
some time ago.

To make it more clear I read an article that there would be a cemetery in every state owned by the government and all our fallen heroes of ^{war} world I would be buried in one plot.

How soon would our fallen heroes be able to be brought to this country

INFORMATION CIRCULAR CONCERNING THE PERSONAL EFFECTS OF
DECEASED MILITARY PERSONNEL

JUL 13 1945

1. The Army Effects Bureau, Kansas City, Missouri, has been established by the War Department to receive and dispose of the personal effects of military personnel who die outside the continental limits of the United States.

2. Due to the many difficulties in transportation of property from overseas, it is impossible to determine accurately when effects will arrive here. However, this circular has been prepared to furnish approximate information regarding the time which may elapse. The following will serve as a guide as to the time that normally is required for effects to reach this Bureau from the various theaters of operations:

EUROPEAN THEATER

Six months.

MEDITERRANEAN THEATER (INCLUDING ITALY)

Six months.

ASIATIC AND SOUTHWEST PACIFIC THEATERS

From ten to twelve months.

3. It is necessary that this Bureau have the following information to enable disposition of the soldier's personal effects, according to existing regulations:

- (a) The name and address of his widow, if he was married.
- (b) The names and addresses of his parents.
- (c) In the event an executor or administrator of the soldier's estate has been appointed by the probate court, the original or a certified copy of the Letters Testamentary or Letters of Administration should be forwarded to the Army Effects Bureau, for inspection. If original papers are submitted, they will be returned promptly.

4. It is advisable that the next-of-kin inform this Bureau of any change in address.

Before going overseas he told me that if any thing should happen to him I should write to Kansas Mo. and inquire about his personal belongings if it is possible to obtain any answer as to how long it takes for his personal belongings to be sent to your office from overseas as I know he had quite a few things that were of value and also some money I would be very grateful if that would be returned
