SUBJECT: Non Recoverable Remains

TO: Non Recoverable Board, AGRC

1. It is recommended that the Board take Action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing in Action or Killed in Action during ground or air operations in the department of Moselle, France, from the period 5 September 1944 to 16 March 1945. Extensive area searches as well as individual investigation have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of Moselle have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Moselle department, for the most part, consists of farm, pasture and forested areas which has been under constant cultivation and supervision by farmers and forest guards, since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide

GROP 293.9

SUBJECT: Non Recoverable Remains

evidence and the lack of association with recovered unknowns would tend to substantiate these conclusions. It is recommended that the remains of the individuals listed in these Board Proceedings be considered Non-Recoverable under the provisions of paragraph 3b, Letter, Office of The Quartermaster General, file QMGMP 293, Subject: Processing Board Findings of Non-Recoverability Return of World War II Dead Program, dated 25 March 1949.

Reference is made to: OQMG Forms 371; After Action Reports, and Casualty Clearance Plan; concerning each decedent; Reports of Field Investigations previously forwarded to The Office of The Quartermaster General, pertaining to resolved casualties who were killed in action in the Department of Moselle, France; on file in the Office of The Quartermaster General, Washington, D. C.

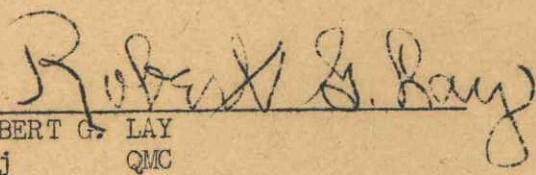

Reference is also made to: Report of Field Investigation, dated 10 July 1950; Attached.

2. All attached supporting documents are copied from records on file this headquarters.

3. It is recommended that the remains, based upon the above information and research, be declared non-recoverable.

Dear Mr. Binder:

Reference is made to your inquiry regarding the personal effects of **the late Private Howard A. Binder.**

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our deceased military personnel outside the United States. However, considerable time is often necessary to process these personal belongings back to this country due to the lack of shipping space and the great amount of work involved.

I extend to you my sincere sympathy in your loss.

Dear Mr. Binder:

Your inquiry to Washington D. C. has been referred to the Army Effects Bureau for reply in connection with the personal effects of your son, Private Howard A. Binder.

I am sorry to report that the Army Effects Bureau has not yet received any of his property. It is reasonable to assume, however, that his belongings ultimately will reach here, as all War Department agencies have instructions to forward the personal effects of military personnel to this Bureau for disposition. Transportation delays generally are encountered in delivery of effects, and considerable time should be allowed for the return of property from overseas.

Promptly upon receipt here of any of your son's belongings, disposal action will be taken.

Yours very truly,
