Dear Mr. Coakley:

Several years have elapsed since the cessation of hostilities of World War II, which cost the life of your brother, the late Technical Sergeant Frank C. Coakley.

It is with deep regret that your Government finds it necessary to inform you that further search and investigation have failed to reveal the whereabouts of your brother's remains. Since all efforts to recover and identify his remains have failed, it has been necessary to declare that his remains are not recoverable.

Realizing the extent of your great loss, it is with reluctance that you are sent the information that there is no grave at which to pay homage. May the knowledge of your brother's honorable service to his country be a source of sustaining comfort to you.

Sincerely yours,

GRRE 293.9

SUBJECT: Non-Recoverable

TO: Non-Recoverable Board, AGRC

1. It is recommended that the Board take action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing In Action or Killed In Action during ground air or naval operations in the department of Manche, France, from the period of 5 June 1944 to 15 August 1944. Extensive area searches as well as individual investigations have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of the Manche, have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Manche department, for the most part, consists of farm and pasture land which has been under constant cultivation and daily use since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore only be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide evidence, and the lack of association with recovered unknowns would tend to substantiate these

GRRE 293.9

SUBJECT: Non-Recoverable

conclusions. It is recommended that the remains of the individuals listed in these Board Proceedings be considered Non-Recoverable under the provisions of paragraph 3b, Letter, Office of The Quartermaster General, file QMGMP 293, Subject: Processing Board Findings of Non-Recoverability Return of World War II Dead Program, dated 25 March 1949.

Reference is made to: OCMG Forms 371; After Action Reports, and Casualty Clearance Plan, concerning each decedent; Reports of Field Investigations previously forwarded to The Office of The Quartermaster General, pertaining to resolved casualties who were killed in action in the department of Manche, France: On file in the Office of The Quartermaster General, Washington, D. C.

2. It is recommended that the remains, based upon the above information and research, be declared non-recoverable.

Office of the Quartermaster General
Memorial Division, War Department
Washington 25, D. C.

Gentlemen:

923

My brother, the late Frank C. Coakley, Technical Sergeant, AS #32064745 was killed July 15, 1944 in conflict near St. Lo. *in the European area*

The members of our family have discussed at great length the advisability of requesting that his remains be returned and it is now our feeling not to make this request but we would like to have you tell me where he is now buried. I would like sufficient detail in the location of the cemetery so that I may some time in the near future visit his grave.

We understand further that the Office of the Quartermaster General can obtain photographs of the burial plots. If this is possible, would you be good enough to send several photographs of my brother's grave to me.

Sincerely yours,

John Coakley
