Mr. Woodrow F. Burnett  
488 Jefferson Street  
Danville, Virginia

Dear Mr. Burnett:

This Office is conducting an investigation in an effort to recover and identify the remains of 2/Lt. Carl E. Wanamaker, O-1019111, and Cpl. Fred Bremer, Jr., 36213019, members of Co. "I", 33rd Armored Regiment, who were killed in action, 21 December 1944, when a tank in which they were riding was hit by artillery fire, in the vicinity of La Gleize, Belgium.

Inasmuch as you were a member of the above-mentioned organization, it is believed that you may be able to furnish information which will assist in the identification of these remains. It is particularly desired that you furnish the following information:

1. How many members of the crew were able to leave the burning tank?
2. Are you in possession of any information regarding the burial location of these deceased?
3. Any other information which you believe will aid in this investigation.

A reply at your earliest convenience in the inclosed self-addressed envelope, which requires no postage, is earnestly solicited.

Sincerely yours,

TO: Commanding Officer, American Graves Registration Command, European Theater Area, APO 887, c/o Postmaster, New York, New York

1. Reference is made to paragraph 4 of preceding indorsement. The remains interred as Unknown X-137 in Plot J, Row 4, Grave 84, Foy #1, Belgium, have been identified from information available to this office and by comparison of tooth charts as Capt. Richard K. BILLS, O-798034, Air Corps,

2. The expressed religious preference of the deceased was not signified. The designated emergency addressee is Mrs. Polly N. Bills, wife, 61 Pearl St., Newton, Massachusetts.

3. War Department records now indicate that the deceased was killed in action on 23 January 1945. The Report of Reburial submitted to this office has been amended.

4. It is requested that the records of your office and the inscription on the grave marker be changed accordingly and this office advised upon completion thereof.

5. In view of the fact that only one crew member now remains to be accounted for, it is requested that in the normal routine of disinterment, the remains of Unknowns X-138 and X-139 be compared with those of Capt. Bills and Cpl. Jones, in order to eliminate the possibility of one body having been interred as two, as suggested in paragraph 3 of 1st Indorsement.
