NR
VOORWERP

Ondergetekende verklaart dat op de Gemeentelijke Begraafplaats twee lijken begraven werden die aange- spoeld zijn respectievelijk op:
1°- 19.6.1944 - onder graf nummer 31
2°- 5.1.1945 - onder graf nummer 4

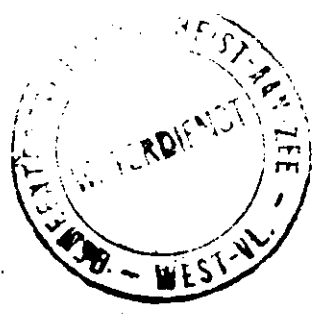

Derstgenoemde is waarschijnlijk een Engels vlieger. De tweede is waarschijnlijk een Engels matroos. Op 16 April 1946 werden deze lijken ontgraven en her- graven door nr.88 "Graves Concentration Unit".

De uitslag dezer ontgravingen is ons onbekend.

Er zijn geen verder inlichtingen aanwezig ten Ge- meentehuize omtrent deze lijken.

**COPI OF A DEATH CERTIFICATE REGISTERED IN THE RECORDS
OF DEATH FOR THE OFFICIAL YEAR 1945.**

Death Certificate #3, Unknown Male Person.

On 8 January 1945, at 1600 hours, to us Robert de Gheldere, Alderman and Acting Burgomaster, in default of incumbents of functions of Burgomaster and Aldermen; Registrar of Birth, Death and Marriages of the Municipality of Heist - aan - Zee, Province of West-Vlaanderen, reported Declerck Georges, Commissioner of Police, 45 years of age and Declerck Adolphe, Police Inspector, 58 years of age, both living in this Community, who declared before us that on 5 January 1945 at 1800 hours in this Community on the beach immediately opposite the Parkstraat a body of the male sex, washed ashore, completely naked and merely dressed in white swimming shorts and a pair of socks, no papers or identity documents were found on the body, but in view of finding of a khaki belt to which was attached a small pouch and in which were several English coins, it is presumed that this body is from an English national. The body was in an advanced state of decomposition and the age could not be established. After making sure of before mentioned deceasing, we certified this at the town-hall's office immediately. And after having read this aloud to reporters, we signed with them.

On 7 May 1947, a disinterment was performed in Heist, Belgium, to determine if the remains in Grave 4 and 31 were from the aircraft which crashed at sea near Oostende on 13 April 1944.

Grave #31 - No remains were found in the grave or in the vicinity. It was found that one body had been removed by a det. of the 531st AM Group stationed at Blankenberge.

Grave #4 - Markings on cross "Onbekend Engels Matroos". Second line illegible. The remains consisted of only a small amount of flesh and bones. Parts of American stockings were found, and it is believed that the nationality is American. The remains were removed to be forwarded to 349 S.I.F.#2 Margraten, Holland. Sketch is attached.

Death Certificate #3, Unknown Male Person.

On 8 January 1945, at 1600 hours, to us Robert de Cheldere, Alderman and Acting Burgomaster, in default of incumbents of functions of Burgomaster and Aldermen; Registrar of Birth, Death and Marriages of the Municipality of Heist - aan - Zee, Province of West-Vlaanderen, reported Declercq Georges, Commissioner of Police, 45 years of age and Declercq Adolphe, Police Inspector, 38 years of age, both living in this Community, who declared before us that on 5 January 1945 at 1800 hours in this Community on the beach immediately opposite the Perkestraat a body of the male sex, washed ashore, completely naked and merely dressed in white swimming shorts and a pair of socks, no papers or identity documents were found on the body, but in view of finding of a khaki belt to which was attached a small pouch and in which were several English coins, it is presumed that this body is from an English national. The body was in an advanced state of decomposition and the age could not be established. After making sure of before mentioned deceasing, we certified this at the town-hall's office immediately. And after having read this aloud to reporters, we signed with them.

Communal Cemetery Grave #1502 on 9 May 1947.

The markings on the cross were as follows: "Sgt
Searles E.R. 1324623, R.A.F. (UR) 1/6/44".

The grave was opened, however, to finally
determine that the remains contained therein were
not American, since that was the possibility, as a
crew of airmen were missing in the same vicinity
at approximately the same time.

Upon examining the clothing they were dis-
covered to be blue, thus confirming the R.A.F. on
the cross.
