UNIDENTIFIABLE

Remains of X-5681 and X-5682 were recovered in the civilian cemetery of Steckby, Germany (M-52/D-97). The two graves were marked with wooden crosses inscribed as follows:

Grave #2 - It. Norman MacComb Grave #3 - It. Mriskey

Body in grave #2 was designated as X-5681. During processing on 9 September 1949, excess remains were found with subject case and segregation to X-5681 A and X-5681 B was made. Unknown X-5681 A has been identified as 2nd Lt. Norman McComb O-757833.

Remains in grave #3 were identified as 2nd Lt. Howard H. Wariske O-816529 (previously X-5682)

2nd Lts. Mc Comb and Mariska were the only unresolved crew members of a/c 42-37797.

An attempt to consolidate Unknown X-5681 B with the remains identified as 2nd Lt. Mariska (prev. X-5682) was requested on E. 0. 2757 dated 28 October 1949. Complete consolidation was not effected and the extra portions still remain as X-5681 B.

No other American deceased to be accounted for from the vicinity of Steckby, Germany (M-52/D-97) In view of the fact that processing of X-5681 B revealed no positive identifying clues, this case is being classified as Unidentifiable at the present time.
