This dental chart is very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspid (chewing teeth), and molars (principal chewing teeth) An examination should be made and findings charted to cover the following basic conditions : Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found See reverse side for illustrations.

TO : The Quartermaster General  
Washington 25, D C  
Attn: Memorial Division

1. Reference attached copy of Message Form, dated 24 June 1947, file QAGMU 293, forwarded herewith is a check list and tooth chart for remains interred in Plot 2-Q, Row 10, Grave 6158, USMO Epinal, France, as well as check lists and tooth charts for remains interred either side of subject deceased, S/Sgt Robert J. MAXFIELD, 37396554 (Grave 6159) and Pvt Leland W. SCHMIDT, 37771283 (Grave 6157).

2. Inasmuch as your findings indicate that remains interred in Grave 6158 are not those of Sgt LIMMER by comparison of fingerprints, also the fact that check does not show any means of identification, remains at present identified as Sgt LIMMER will be redesignated as an unknown.

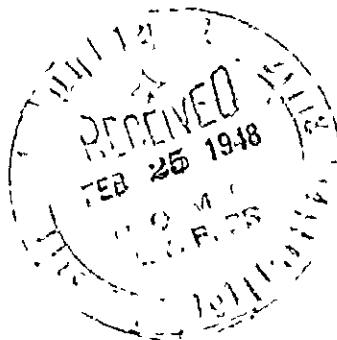

3. Upon completion of action, a corrected Report of Burial will be furnished.

SUBJECT: Burial Information

TO : The Quartermaster General

Attn: Memorial Division

1. Reference attached correspondence, forwarded herewith are check list and tooth chart for remains interred in Plot QQ, Row 10, Grave 6158, USMC Epinal, France, at present identified as Sgt Robert A. LIMMER, 33556594.

2. Inasmuch as the possibility exists that fingerprints shown on the Report of Burial for Sgt LIMMER were actually those of one of the deceased interred on either side of Sgt LIMMER, it is suggested that subject fingerprints be compared with S/Sgt Robert J. MAXFIELD, 37396554 (grave 6159) and Pvt Leland W. SCHMIDT, 37771283 (grave 6157).

3. Upon commencement of repatriation activities in USMC Epinal, no action will be taken relative to the three above mentioned deceased, even though Disinterment Directives are received, until further advised by your office whether fingerprints compare with Pvt SCHMIDT or S/Sgt MAXFIELD.
