SUBJECT: Reprocessing Report

TO: The Quartermaster General
Washington 25, D. C.
ATTENTION: Memorial Division

1. Reference is made to radio, your office, WCL 25748 and radio AGRC 7419 dated 21 December 1949.
2. Copy of Reprocessing Report for 1/Lt Don R. Maclin, O-751560 dated 23 January 1950 is forwarded herewith as requested.
3. A comparison of skeletal charts indicates the possibility that Unknown X-6239 (St Avold) may be consolidated with Lt Don R. Maclin.
4. A review of case Unknown X-6242 (St Avold) indicates that the tooth chart dated 7 July 1949 is in almost perfect agreement with dental data for S/Sgt Charles R. THOMPSON, 38320064, an unresolved casualty who parachuted from A/C 42-107179 on 18 July 1944 in the same area from which Unknown X-6242 and associated unknowns were recovered.
5. It is the belief of this headquarters that Unknown X-6242 should be individually identified as S/Sgt Charles R. THOMPSON, and that if the consolidation mentioned in paragraph 3, above, can be accomplished, the remaining nine (9) unknowns should be identified as the only recoverable remains of the subject eleven (11) casualties. However, action on these cases will be suspended pending reply from your office.
6. It is requested that OQM Form 371 or physical characteristics for Lt Don R. Maclin be forwarded with your reply.
