INSTRUCTIONS FOR BURIAL

1 PREPARATION OF BODY Have body examined by member of Medical Department whenever possible (to attach E M I Form 52b) Remove all personal property remove one identification tag leave other on body in protected position (in case of enemy dead leave 1/2 tag on body forward 1/2 with personal effects) If no tag present make notation of identifying data on form protect in sealed bottle canteen spent shell or best available container and bury with remains If unidentified take fingerprints of both hands if this not possible fill out tooth chart and note height weight color of eyes and hair tattoo marks birthmarks etc and other data as serial no of weapon laundry marks where body found etc Wrap body in shelter half mattress cover or blanket when available

2 BURIAL Dig grave to a depth of five feet (hasty battlefield-burials-to sufficient depth to prevent elements from exposing the body) Place only one body in a grave Dig graves side by side row behind row

3 MARKING OF GRAVE Fasten identification tag to temporary name peg and place at head of grave For enemy dead write data on peg When pegs are not available copy data on a piece of paper place in bottle spent shell or other receptacle seal tightly and place so as to mark and identify grave If identification tag cannot be fastened to peg or placed in container do not leave at grave but forward with report of burial If only one tag is found on body it should be buried with body The information thereon should be written on marker or placed in container at head of grave Do not use weapons or helmets to mark graves

4 LOCATION OF GRAVE Report burials in established cemeteries by plot row and grave number (or show on cemetery map) For all other burials prepare sketch in space provided below and give location by means of map references or by reference to prominent permanent landmarks Information must be specific accurate complete Stand at foot of grave facing head to determine bodies buried to the left and right

5 PERSONAL EFFECTS List only personal effects taken from body on the Burial Report form Place these with information as to identity of owner organization emergency addressee in personal effects bag or wrap in handkerchief towel or other available material and turn over to Grave Registration Service Personnel with report of burial Government property is not to be included in personal effects but is to be turned in to Salvage Collecting Point
